Product short description:

The Nastrino Assistente di Laboratorio Bronzo Analisi RIS Carabinieri is a qualification ribbon for Carabinieri personnel who have attained technical eligibility to work in the Arma’s scientific laboratories. It completes the uniform and indicates specialist training in forensic analysis.

- **Material:** Blue fabric ribbon with a central bronze-toned microscope emblem.
- **Purpose:** Identifies staff authorized to operate in RIS (Investigazioni Scientifiche) laboratory units; for regulated uniform wear.
- **Design:** Professional, understated look that reflects competence, rigour and method in forensic work.
- **Variants:** Available in flat regulatory and Elite versions; also offered with a dedicated ribbon holder for neat display.
