Product short description:

The 'Nastrino Soccorso Umanitario 2 Operazioni' is a service ribbon recognizing those who took part in two humanitarian relief operations. Suitable for humanitarian workers, volunteers and emergency response professionals, it can be worn on uniforms or civilian clothing to acknowledge participation in emergency situations.

- **Material:** Crafted from high-quality materials for a clean, durable finish.
- **Recognition:** Represents official acknowledgment for two humanitarian missions.
- **Wear:** Designed to be worn on uniforms or civilian attire.
- **Intended for:** Humanitarian workers, volunteers and emergency professionals.
- **Design:** Elegant, distinctive ribbon that honors service and solidarity.

Product description:

Product overview

The Nastrino Soccorso Umanitario 2 Operazioni is a commemorative ribbon intended for personnel, veterans, collectors, and anyone displaying service in humanitarian relief missions. It features a bronze star centered on the Italian tricolour set on a brown field and is suitable for uniform wear or display on ribbon bars.

Definition: a service ribbon that signifies participation in two humanitarian operations. This item fits tactical, military surplus, police and duty displays and collector sets.

Main features

Compact, durable and available in multiple formats to suit uniforms or collector mounts.

- **Bronze center star:** star mounted at the center of the Italian tricolour on a brown background.
- **Two sizes:** available in 37 mm and 20 mm formats to match full-size or compact ribbon bars.
- **Finish options:** regular (flat) or the slightly domed Elite variant.
- **Attachment choices:** selectable clip (morsetti) or screw (viti) fittings for the ribbon bar.
- **High-quality materials:** designed for long-term display and regular wear.
- **Easy mounting:** fits two-place or multi-place metal ribbon bars for grouped presentation.

How to use / When it’s useful

Use this ribbon on a uniform ribbon bar, a collector’s display, or a dress mount to show participation in humanitarian relief operations. It is appropriate for service dress, ceremonial uniforms, and tactical or police presentation boards.

Quick answer: mount with the chosen clip or screw attachment on a two-or-more place metal ribbon bar. In most cases, choose the 37 mm size for full uniform use and the 20 mm size for compact racks or civilian displays.

Care and notes

Small, durable, and intended for display; follow simple care steps to preserve finish and fit.

- Wipe with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Check fittings (clips or screws) periodically to ensure secure mounting.
- Store in a dry place away from direct sunlight to prevent fading.
- Availability may be limited; select your preferred size and attachment when ordering.

FAQ

Q: What sizes are available?

A: The ribbon is offered in two sizes: 37 mm and 20 mm. Choose 37 mm for standard uniform use and 20 mm for compact or civilian displays.

Q: Can I choose the type of attachment?

A: Yes. You can select between clip (morsetti) or screw (viti) attachments from the product options to match your ribbon bar.

Q: What finish options are there?

A: The ribbon is available in a regular (flat) finish and a slightly domed Elite variant. Pick the finish that best matches your existing ribbons.

Q: How do I mount the ribbon on a ribbon bar?

A: Mount it using the selected clip or screw fitting onto a two-place or multi-place metal ribbon bar designed to hold multiple ribbons side by side.

Q: Is the ribbon durable for regular wear?

A: Yes. It is made with quality materials to withstand normal use and display, though routine care will help maintain its appearance.

Q: Is this item always in stock?

A: Demand can be high and availability may be limited. Please select your preferred size and attachment when ordering to secure the correct variant.

Tip: Choose the right size (37 mm for full uniform, 20 mm for compact displays) and select the attachment type that matches your ribbon bar. Browse related ribbons and ribbon bars to build a coordinated display without missing necessary mounting parts.
