Product overview

The Humanitarian Relief Operation ribbon is a service ribbon for personnel who took part in humanitarian aid missions; it is suitable for military, civil protection, tactical units and collectors. Definition: this brown ribbon features the Italian tricolour at the center and identifies a single completed humanitarian operation.

Established by interministerial decree on 27 November 1996, the ribbon is offered in several

formats and mounting options to suit duty uniforms, display boards and private collections.

Main features

Compact, durable and clearly identifiable — designed for display on ribbon bars or individual mounts.

- **Official design:** Brown ribbon with the Italian tricolour at center, marking a single operation.
- **Available sizes:** 37 mm and 20 mm widths.
- **Formats:** Regular, flat, and slightly convex "Elite" variant.
- **Mounting:** Fits single-place ribbon holder with rear clamp or screw attachment.
- **Loose ribbon option:** Sold as loose ribbon with a minimum length of 50 cm for custom use.
- **Durability:** Made from resilient materials to retain appearance over time.

How to use / When it’s useful

Quick answer: mount the ribbon on a single-place ribbon holder or order loose ribbon if you need a custom size or mounting. Use it as an official-style recognition for participation in humanitarian relief missions or as part of a display or collection.

In most cases, choose the width (37 mm or 20 mm) and the format (regular, flat, Elite) that match your ribbon bar or uniform. For multi-place mounting and combined displays, consult the ribbon-holder options available on the site to ensure proper fitting.

Care and notes

Keep the ribbon clean and store it flat to preserve shape and colour. Check mounting type before ordering to make sure the ribbon fits your holder.

- Store away from direct sunlight to avoid fading.
- Wipe gently with a soft, dry cloth; avoid harsh chemicals.
- Confirm correct width (37 mm or 20 mm) and desired format before purchase.
- Availability may be limited due to demand; order promptly if needed.

FAQ

Q: What sizes are available?

A: The ribbon is available in 37 mm and 20 mm widths. Choose the width that matches your ribbon bar or display.

Q: Can I buy the ribbon as a loose length?

A: Yes. Loose ribbon is sold with a minimum length of 50 cm, suitable for custom mounting or repairs.

Q: Which mounting options are offered?

A: You can mount the ribbon on a single-place ribbon holder with a rear clamp or with screws. Select the mounting option in the product menu when ordering.

Q: Are there different visual variants?

A: Yes. The ribbon comes in regular, flat, and a slightly convex "Elite" variant to match different aesthetic preferences.

Q: Is this an official ribbon?

A: The ribbon design follows the established pattern instituted by the interministerial decree of 27 November 1996. It is intended as a recognition for humanitarian operations.

Q: How do I prepare ribbons for a multi-place ribbon holder?

A: For fitting multiple ribbons on a shared metal base, select the appropriate multi-place ribbon-holder option. Check the ribbon-holder product details to confirm compatibility and spacing.

Tip: Choose the correct width and format for your uniform or display, and consider ordering loose ribbon if you need custom lengths—also browse related ribbon holders and mounting options to complete your set.
