Product short description:

The Nastrino Interventi di Pubbliche Calamità per 3 Concessioni is a service ribbon recognizing personnel who served during public emergency operations. It is suitable as an honorable accessory for uniforms and formal dress.

- **Material:** Made from high-quality materials for a neat, durable finish.
- **Use:** Official recognition for service in emergency interventions; worn on uniforms or formal attire.
- **Design:** Elegant, distinctive ribbon for ribbon bars, lapels or dress uniforms.
- **Symbol:** A respectful tribute to dedication, professionalism and resilience in critical situations.

Product description:

Product overview

The Nastrino Interventi di Pubbliche Calamità per 3 Concessioni is a service ribbon intended for Forze Armate italiane personnel, Guardia di Finanza, Croce Rossa members and civilian Defence staff who took part in relief operations after natural disasters. Definition: it is a recognized service ribbon awarded to personnel for participation in public calamity interventions, marked here with insignia for three concessions.

This ribbon follows the recognition established by the Ministry of Defence decree of 15 October 1983, n. 683 and was later extended by subsequent ministerial decrees (Minister of Finance 29 August 1984, n. 67; ministerial decree 24 June 1985). It is suitable for display on duty and ceremonial uniforms or as a collector’s piece in military surplus and tactical gear collections.

Main features

Key features at a glance — regulation formats, size options and mounting choices make this ribbon adaptable for uniform use, display bars, and collectors.

- **Distinctive insignia:** Two bronze five-point stars applied to the ribbon indicate recognition for three concessions.
- **Regulation formats:** Available in the flat regulation form and a slightly domed "Elite" variant.
- **Size options:** Offered in 37 mm and 20 mm widths to fit different mounts and uniform styles.
- **Rear attachments:** Selectable rear mounting with clamps or screws from the product options.
- **Custom packaging:** Can be fitted on metal mounting bars with two or more positions for grouped display.
- **Quality build:** Produced to regulation standards with durable materials suitable for regular wear or display.

How to use / When it’s useful

Quick answer: wear it on the uniform or mount it on a display bar to show official recognition for disaster relief service. It also suits collectors of military surplus and tactical memorabilia.

In most cases, the 37 mm size is chosen for standard mounting bars and full-size displays, while the 20 mm size is better for compact bars or miniature arrangements. Choose the rear attachment (clamps or screws) that matches your mounting system.

Care and notes

Simple care and ordering notes to keep the ribbon in good condition and ensure you select the correct variant.

- Wipe gently with a soft, dry cloth; avoid abrasive cleaners.
- Confirm size (37 mm or 20 mm) and rear attachment (clamps or screws) before ordering.
- Intended as a recognized service ribbon for the listed corps; availability may be limited due to demand.
- For multi-ribbon displays, order a compatible metal mounting bar with two or more positions.

FAQ

Q: What sizes are available for this ribbon?

A: The ribbon is available in two sizes: 37 mm and 20 mm. Choose according to your mounting bar or uniform setup.

Q: What rear attachment options exist?

A: You can select a rear attachment with clamps or with screws from the product options to match your mounting hardware.

Q: Who is eligible to wear this ribbon?

A: The decoration is intended for Forze Armate italiane, Guardia di Finanza, Croce Rossa and civilian Defence personnel who participated in public calamity relief operations, per the cited ministerial decrees.

Q: What do the two bronze stars mean?

A: The two bronze five-point stars applied at the sides of the ribbon indicate recognition for three concessions of the award.

Q: Can I mount multiple ribbons together?

A: Yes. The ribbon can be mounted on metal bases with two or more positions designed to hold multiple ribbons joined on a single metal bar.

Q: Is this ribbon suitable for collectors and tactical/military surplus displays?

A: Yes. It is appropriate for uniform display and for military surplus or tactical collections, provided you select the correct size and attachment for your display system.

Tip: When ordering, check the size (37 mm or 20 mm) and the rear attachment (clamps or screws) to match your uniform or mounting bar. Browse related ribbons and mounting bars to build a complete display or collection without missing compatible items.
