Product short description:

The "Nastrino Terremoto Umbria Marche 1997" is a commemorative ribbon honoring communities affected by the 1997 earthquake in Umbria and Marche. Ideal for collectors, memorial events, or anyone wishing to show solidarity and preserve the memory of this central Italy tragedy.

- **Material:** Made with high-quality materials for a durable, respectful finish.
- **Meaning:** Symbol of resilience, unity and remembrance.
- **Use:** Wear on clothing, add to a collection, or include in memorial displays.
- **Audience:** For collectors and those who value memory and solidarity.

Product description:

Product overview

The Nastrino Terremoto Umbria Marche 1997 is a commemorative service ribbon for military and civilian personnel involved in the 1997 earthquake relief operations in Umbria and Marche. It is intended for collectors, veterans, uniformed duty personnel, and military surplus or police equipment buyers seeking an accurate, high-quality ribbon.

Definition: a service ribbon reproducing the Umbria regional colours to recognise participation in earthquake relief efforts in 1997.

Main features

Compact, regulation-size ribbon made to match the original colour sequence and sold in common formats for mounting on ribbon bars.

- **Distinctive design:** Colours of Umbria in the sequence green-red-green, white-green-white, green-red-green for authentic appearance.
- **High-quality materials:** Durable fabrics and precise weaving to keep colour and shape over time.
- **Available formats:** Regulation (37 mm) or flat, plus the slightly domed "Elite" variant.
- **Mounting options:** Can be purchased complete with a single-slot ribbon bar featuring clamp attachments or screw fastenings selectable via the product options.
- **Loose ribbon option:** Also available as a loose 37 mm ribbon for custom mounting or sewing.
- **Multi-ribbon compatibility:** Suitable for grouping on multi-slot metal ribbon bars (check the ribbon bar product for fit).

How to use / When it’s useful

Use this ribbon to mount on service uniform ribbon bars, display cases, or for restoration of period uniforms and military surplus collections. It fits standard 37 mm slots and can be fixed using the supplied clamp or screw attachments.

Quick answer: choose the regulation 37 mm format for standard ribbon bars; select the loose ribbon if you need to sew or customise mounting. In most cases, the Elite slightly domed variant is chosen for a more pronounced finish, while the flat format suits strict regulation displays.

Care and notes

Simple care keeps the ribbon presentation-ready and preserves colours.

- Store flat in a dry place away from direct sunlight to avoid fading.
- Do not machine wash; spot clean gently if needed.
- Confirm the 37 mm size before ordering to ensure fit on your ribbon bar or uniform.
- Limited stock: availability can be restricted, so check options when ordering.

FAQ

Q: What is the colour pattern of this ribbon?

A: The ribbon reproduces Umbria's colours: green and red in the specific sequence green-red-

green, white-green-white, green-red-green for accurate representation.

Q: Which formats are available?

A: It is offered in regulation (37 mm) or flat formats and the slightly domed "Elite" variant. You can also buy it as a loose ribbon for custom mounting.

Q: Can I buy the ribbon already mounted on a bar?

A: Yes. You can order the ribbon complete with a single-slot ribbon bar with clamp attachments or with screws. The fastening type is selectable in the product options.

Q: What size is the ribbon?

A: The ribbon is available only in the standard 37 mm width. Please check your ribbon bar or uniform slot before purchasing.

Q: How do I mount multiple ribbons together?

A: For multi-ribbon mounting, use a compatible multi-slot metal ribbon bar. Refer to the ribbon bar product details to confirm slot spacing and capacity.

Q: Is this ribbon suitable for collectors and uniform repair?

A: Yes. It is suitable for collectors, uniform restoration, and display in military surplus or duty equipment collections, offering a faithful reproduction of the original relief ribbon.

Tip: Choose the correct variant (regulation, flat, or Elite) and confirm the 37 mm size before checkout. Consider browsing related ribbon bars and mounting accessories to complete your display or uniform setup.
