- **Use:** Recognizes service in two public disaster-response operations.
- **Design:** Elegant, distinctive ribbon that conveys dedication and professionalism.
- **Wear:** Suitable as an accessory on uniforms and formal dress.
- **Recipients:** Ideal for responders, volunteers and officials involved in emergency management.

Product description:

Product overview

The CMCRI Public Calamities Ribbon with 2 Operations is a merit ribbon for members and supporters of the Corpo Militare Croce Rossa (CMCRI), intended for commemorating service during public emergency and rescue operations. It is suitable for uniform display, collectors, and

military surplus or duty equipment shops.

Definition: a 37 mm merit ribbon marked with a central five-point bronze star, awarded to recognize service in public calamities. This ribbon is a distinctive symbol of dedication and service.

Main features

Built to the standard 37 mm format, available in a flat or slightly domed "Elite" finish, and offered with selectable attachment options for single or multiple ribbon bars.

- **Central design:** five-point bronze star applied at the ribbon center.
- **Standard size:** supplied in the regulation 37 mm format.
- **Elite variant:** slightly domed version for a refined appearance.
- **Attachment options:** single ribbon bar available with rear clamps or screws (selectable).
- **Multiple mounting:** compatible with multi-place metal ribbon bars for combining several ribbons.
- **Manufacture:** produced to official standards using quality materials for lasting display.

How to use / When it’s useful

Use this ribbon to recognize or display service in public calamity operations—on uniforms, ceremonial dress, or as part of a collection of military and emergency service insignia. It works well for veterans, active duty personnel, and those curating military surplus or police/duty gear.

Quick answer: use it as a visible token of service on a single or multi-place ribbon bar. In most cases, choose the attachment type (clamps or screws) that matches your uniform or mounting preference and select the Elite finish if you want a slightly domed look.

Care and notes

Simple care keeps the ribbon presentable for display or wear; select the correct format and attachment when ordering.

- Only available in the 37 mm regulation size—confirm this before purchase.
- Select rear clamps or screws in the product menu to match your mounting needs.
- The Elite option is slightly domed; choose based on the desired appearance.
- Multi-place metal ribbon bars are available separately for mounting multiple ribbons together.
- Availability is limited—order soon if you need a specific variant or quantity.

FAQ

Q: What size is the ribbon?

A: The ribbon is supplied in the regulation 37 mm format. This is the standard size for CMCRI public calamities ribbons.

Q: Can I choose the attachment type for the ribbon bar?

A: Yes. You can select a single-place ribbon bar with rear clamps or with screws using the product drop-down menu when ordering.

Q: Is there a different finish available?

A: There are two options: the standard flat format and a slightly domed "Elite" variant for a more refined appearance.

Q: Can I mount this ribbon on a multi-place ribbon bar?

A: Yes. Multi-place metal ribbon bars that hold two or more ribbons are available and suitable for mounting this ribbon alongside others.

Q: How can I be sure of the ribbon’s quality?

A: The ribbon is made to official standards and with quality materials to ensure durability and a respectful appearance for display or wear.

Q: Is the product often out of stock?

A: Demand can be high and stock is limited. If you need a specific variant or multiple pieces, it’s best to order promptly.

Tip: Choose the correct attachment (clamps or screws) and the Elite or standard finish before adding to cart; also consider a multi-place ribbon bar if you plan to display several ribbons together. Browse related military, tactical, and duty items to complete your display.
