Product overview

The Nastrino Alluvione Piemonte Alessandria - Asti - Cuneo 1994 is a commemorative ribbon for the Police personnel who took part in flood relief operations in the Alessandria, Asti and Cuneo provinces during the 1994 Piemonte floods. It is aimed at police, collectors, and anyone wishing to honor or display service related to that emergency.

Definition: this is a commemorative police ribbon reproducing the award ribbon design from the 1994 Piemonte flood operations. It suits duty uniform displays, historical collections, and tactical or military surplus memorabilia.

Main features

Clear, regulation-sized ribbon available in standard and a slightly domed "Elite" finish, with multiple mounting options for display or uniform use.

- **Distinctive design:** red ribbon crossed by two white vertical stripes for immediate recognition.
- **Formats:** available in the flat regulation format and a slightly domed "Elite" variant.
- **Mounting options:** supplied mounted on a ribbon bar with clamp (morsetto) or with screws, selectable at purchase.
- **Standard size:** sold in the official 37 mm width only.
- **Loose ribbon option:** available for customers who prefer to arrange their own mounting or display.
- **Suitable for:** police duty displays, military surplus collections, and tactical memorabilia.

How to use / When it’s useful

Use the ribbon on a uniform ribbon bar, a display board, or as part of a collection. Quick answer: it is intended for display or collection and can be mounted on ribbon bars or purchased loose for custom mounting.

It is useful when commemorating service in the 1994 Piemonte flood relief operations or when adding historically accurate pieces to police or military surplus collections. In most cases, customers choose the 37 mm standard and select the preferred mounting option at checkout.

Care and notes

Handle and store the ribbon like other uniform items to preserve color and shape; choose the correct mounting option to match your ribbon bar.

- Store in a dry place away from direct sunlight to avoid fading.
- Choose clamp or screw mounting when ordering to ensure correct fit on your ribbon bar.
- Available only in 37 mm width—verify compatibility with your ribbon holder.
- Limited availability: stock is restricted due to demand and historical nature.

FAQ

Q: Who can buy the Nastrino Alluvione Piemonte Alessandria - Asti - Cuneo 1994?

A: Anyone may purchase this ribbon: former or current police personnel, collectors, historians,

and enthusiasts of military surplus and tactical memorabilia.

Q: What mounting options are available?

A: You can select a clamp (morsetto) or screw-mounted ribbon bar when ordering. The ribbon is also available loose for custom assembly.

Q: Is the ribbon available in other sizes?

A: No, this ribbon is offered only in the standard 37 mm width to match official ribbon bars and common collector displays.

Q: Can I mount this on a multi-place ribbon bar?

A: Yes, it can be fitted to ribbon bars with two or more positions. Select the appropriate mounting style during purchase or buy the ribbon loose to mount yourself.

Q: Is this item an official police award or just a replica?

A: The ribbon reproduces the design associated with the recognition given to Police personnel who served in the 1994 flood relief. Purchasing the ribbon provides the physical ribbon; official documentation or entitlement questions should be handled by the issuing authorities.

Q: Is the ribbon in stock?

A: Stock is limited due to its historical nature and demand. Availability can change quickly, so check the product page at checkout for current stock status.

Tip: Choose the 37 mm variant that matches your ribbon bar and select clamp or screw mounting as needed. Browse related police and military surplus ribbons and holders to complete your display or uniform set.
