How to use / When it’s useful

Quick answer: wear the ribbon on a ribbon bar, add it to a medal ribbon, or use it in a display to commemorate aid and reconstruction efforts. It fits standard metal ribbon mounts and multi-place holders.

In most cases, choose the flat format for a traditional look or the Elite domed variant for a slightly raised appearance. Select clamps or screws for the rear attachment based on the garment or display plate thickness to ensure a secure fit.

Care and notes

Basic care and selection notes to keep the ribbon presentable and correctly mounted.

- Store dry and avoid prolonged exposure to direct sunlight to preserve color and finish.
- Check the chosen rear attachment (clamp or screw) before wearing to prevent loss or damage.
- Size is 37 mm; confirm compatibility with your ribbon bar or medal before purchase.
- Availability is limited and demand can be high; consider your preferred format early.
