How to use / When it’s useful

Quick answer: pin or mount the ribbon on your uniform or on a metal ribbon holder using the chosen clamp or screw attachment. In most cases, volunteers wear this ribbon on the uniform breast or group multiple ribbons on a single base for formal display.

Use the flat version for a standard, streamlined look or the Elite domed variant for a slightly more pronounced finish. Choose clamp attachment for easy removal or screw attachment for a more secure fit when mounting to a metal base or display.
