- **Use:** Commemorates NATO commitment and dedication during peacekeeping operations in the region; intended for display or authorized wear.
- **Condition:** Authentic ribbon, suitable for collectors and historical displays.
- **Display:** Can be worn where regulations allow or shown in uniform cases and private collections.

Product description:

Product overview

The **NATO Bosnia Erzegovina ribbon** is a service ribbon for military personnel, veterans, and collectors who wish to display recognition of service related to Bosnia and Herzegovina NATO missions. Definition: a small, mounted or loose ribbon used on uniform ribbon bars or medal mounts to represent service or awards.

Available in regulation flat and slightly domed "Elite" finishes, this ribbon suits duty uniforms, ceremonial wear, and military surplus collections. It is also useful for tactical display boards and medal presentations.

Main features

Practical and available in multiple mounting options to match uniforms and display needs.

- **Regulation flat format** for standard uniform wear.
- **Slightly domed "Elite" variant** for a refined, ceremonial appearance.
- **Mounted on ribbon bars** with either clamp or screw attachments (selectable in the menu).
- **Loose ribbon option** for large medals or miniature gala mounts.
- **Two-or-more place ribbon bar mounting** available for grouping multiple ribbons on a single metal base.
- Made from quality materials for durability and a neat, professional look.

How to use / When it’s useful

Quick answer: wear it on your uniform ribbon bar or use the loose ribbon for medal displays and miniature sets. Choose the flat format for regular duty and the Elite for ceremonies.

In most cases, select the desired mounting type (clamp or screw) in the product menu before adding to cart. Collectors and military surplus dealers will also find the loose ribbon option useful for custom mounts and displays.

Care and notes

Simple care keeps the ribbon looking its best and ensures secure mounting on uniforms or display bars.

- Store flat or on its ribbon bar to avoid creasing.
- Secure screws or clamps firmly when mounting to prevent loss.
- Limited availability: this ribbon is often requested, so check stock before postponing your purchase.

FAQ

Q: What mounting options are available?

A: You can choose ribbon bars with clamp attachments or with screws using the selection menu. Both options are suitable for uniform or display use.

Q: Can I buy the ribbon loose for medals?

A: Yes. The ribbon is sold loose for use with large medals or miniature gala mounts; select the loose ribbon option in the product choices.

Q: Is this ribbon the regulation format?

A: The ribbon is available in the regulation flat format commonly used for uniform ribbon bars, as described in the product options.

Q: What variants are offered?

A: Two main variants are offered: the standard regulation flat ribbon and the slightly domed "Elite" version intended for a more formal look.

Q: How do I mount multiple ribbons on one base?

A: Choose a two-or-more place ribbon bar option to house multiple ribbons on a single metal base. Ensure correct spacing and secure attachments when assembling.

Q: How should I care for the ribbon?

A: Keep the ribbon dry and stored flat or on its ribbon bar. Avoid harsh cleaning agents; light surface cleaning is usually sufficient to maintain appearance.

Tip: Choose the variant and mounting type that match your uniform or display needs—flat for regular duty, Elite for ceremonies—and browse related ribbon bars and medal mounts to complete your setup.
