Product short description:

The Nastrino Balkans Nato is a commemorative service ribbon for personnel who took part in NATO-led missions in the Balkans. Ideal for military uniforms, display cases, or personal collections, it honors service and dedication.

- **Material:** Made from high-quality fabric for lasting color and wear resistance.
- **Use:** Suitable for uniform wear, shadow boxes, or collectors' displays.
- **Appearance:** Faithful coloring and stitched details that reflect the original ribbon design.
- **Purpose:** A respectful accessory to commemorate service and professional commitment.

Product description:

Product overview

The Nastrino Balkans Nato is a service ribbon intended for military personnel who served in NATO operations in the Balkans and for collectors of military surplus, tactical, duty and police insignia. Definition: the Nastrino Balkans Nato is a commemorative ribbon worn to recognize participation in NATO missions in the Balkans.

This ribbon is available in multiple formats and mounting options to suit uniform use, display on ribbon bars, and collector presentations.

Main features

Designed for practical wear and neat display, the ribbon matches common military presentation formats and offers a refined variant for a slightly different look.

- **Regulation flat format** for standard uniform use.
- **Elite variant**: slightly curved version for a more refined appearance.
- **Metal ribbon mount** available with clamp or screw attachment for secure fitting.
- **Bronze center band** stamped with the word **Balkans**.
- **Sizes**: available in 37 mm and 20 mm formats.

How to use / When it’s useful

Quick answer: wear the Nastrino Balkans Nato on your service ribbon bar or display it on a mounted ribbon holder when showing or storing medals. In most cases, choose the regulation flat format for standard uniform regulations and the Elite variant if you prefer a slightly rounded look for display or dress uniforms.

Use the metal mount with clamps or screws to secure the ribbon to uniforms or display bars; select the correct size (37 mm or 20 mm) to match your existing ribbon setup. For multi-ribbon installations, use a matching multi-place metal ribbon bar to group several ribbons together neatly.

Care and notes

Store and handle the ribbon with basic care to keep the bronze band and fabric in good condition; select the mounting type and size carefully before ordering.

- Check the ribbon size (37 mm or 20 mm) to ensure proper fit with your ribbon bar.
- Choose clamp or screw mounts based on how you prefer to attach the ribbon to uniforms or display bars.
- Store in a dry place to protect the bronze band and fabric finish.
- Availability is limited due to demand; allow for possible wait times when ordering.

FAQ

Q: What sizes are available for the Nastrino Balkans Nato?

A: The ribbon is available in two sizes: 37 mm and 20 mm. Select the size that matches your ribbon bar or display frame.

Q: What mounting options are offered for the metal ribbon mount?

A: You can choose a metal mount with either clamp (morsetti) or screw attachments. Pick the

attachment type that suits your uniform or display preference.

Q: What is the Elite variant?

A: The Elite variant is a slightly curved version of the ribbon that provides a different visual profile, suitable for dress uniforms or display purposes.

Q: Is the ribbon available in a regulation format?

A: Yes, the Nastrino Balkans Nato is offered in the regulation flat format intended for standard uniform presentation.

Q: Can I mount this ribbon alongside other ribbons?

A: Yes, the ribbon can be fitted on multi-place metal ribbon bars designed to hold two or more ribbons on a single base. Choose the correct size to match the bar.

Q: How do I order the correct variant and mount?

A: Select the desired size, Elite or flat variant, and the mount type (clamp or screw) from the product options on the site before adding the item to your cart.

Tip: When ordering, confirm the ribbon size and mount type that match your uniform or display bar, and consider browsing related tactical and military surplus ribbon mounts to complete your set.
