Product overview

The **ISAF NATO Afghanistan ribbon (from 2011)** is a dress ribbon for military personnel, veterans, collectors and anyone buying tactical, military surplus or duty apparel. It marks participation in NATO-led operations in Afghanistan from 2011 onward.

Definition: this is a commemorative military ribbon with a bronzed bar engraved "ISAF" for use on service uniforms or ribbon mounts. It suits tactical, police and military display needs and is available in standard sizes.

Main features

Designed for uniform wear and collectors, the ribbon comes in regulation and an Elite slightly domed finish, with multiple mounting options and two standard widths.

- **Bronzed bar engraved "ISAF"** indicating missions from 2011.
- **Regulation flat format** for standard uniform compliance.
- **Elite slightly domed variant** for a refined appearance.
- **Mounting options**: supplied on ribbon bars with clamps or screws (selectable at checkout).
- **Sizes**: available in 37 mm and 20 mm widths to fit common ribbon holders.

How to use / When it’s useful

Apply the ribbon to a single ribbon holder or a multi-position ribbon bar on service dress or display mounts. Choose the flat regulation version for formal dress and the Elite domed variant for presentation or collection pieces.

Quick answer: pick the 37 mm or 20 mm size to match your existing ribbon bar spacing. In most cases, the clamp or screw mounting option will secure the ribbon to standard metal ribbon holders used in military and police uniforms.

Care and notes

Keep the ribbon clean and dry; remove for laundering or storage with other uniform items. Note that demand may be high and stock can be limited.

- Store in a dry place to preserve the bronzed bar finish.
- Remove before machine washing uniforms to avoid damage.
- Select the correct width (37 mm or 20 mm) to ensure proper fit.
- Choose clamp or screw mounting at purchase to match your ribbon bar type.

FAQ

Q: What sizes does the ISAF NATO Afghanistan ribbon come in?

A: It is available in two standard widths: 37 mm and 20 mm. Choose the size that matches your ribbon mount or uniform spacing.

Q: What mounting options are offered?

A: You can have the ribbon fitted on a ribbon bar with either clamps or screws. The mounting type is selectable via the product options before checkout.

Q: What is the bronzed bar with "ISAF"?

A: The bronzed bar is an attached decorative plate engraved with "ISAF," used to identify ribbons related to NATO operations in Afghanistan from 2011 onward.

Q: Is there a domed or presentation variant?

A: Yes, besides the regulation flat format there is a slightly domed "Elite" variant for a cleaner, presentation-style look.

Q: Will this ribbon fit multi-position ribbon mounts?

A: Yes. The ribbon can be mounted on single or multi-position metal ribbon bars; pick the correct width and mounting style to match the mount.

Q: Is the regulation flat version suitable for formal uniform wear?

A: Yes, the regulation flat format is intended for standard dress wear and aligns with common uniform ribbon presentation practices.

Tip: When ordering, choose the correct width (37 mm or 20 mm) and the mounting option that matches your ribbon bar. Browse related ribbon holders and multi-position mounts to complete your display without guesswork.
