- **Design:** Subtle, refined appearance suitable for formal and casual outfits.
- **Fit:** Adjustable closure for a comfortable, secure fit.
- **Use:** Ideal for formal occasions or daily wear.

Product description:

Product overview

The Pakistan NATO ribbon is a military ribbon for collectors, veterans, serving personnel, and tactical gear retailers. It combines the ISAF ribbon with a central "Pakistan" clasp and is intended for display on uniform ribbon bars and presentation mounts. Definition: a ribbon bar segment combining the ISAF ribbon with a Pakistan device mounted at the center.

Available in the flat regulation format or a slightly curved "Elite" finish, the ribbon can be fitted to ribbon bars using clamp fittings or rear screws (selectable from the product options). Suitable for

military surplus, tactical, duty, and police displays, it is offered in limited quantities.

Main features

Clear, durable construction and multiple mounting options make this ribbon suitable for uniform display and collection use.

- **Regulation and Elite styles:** Flat regulation finish or slightly domed Elite variant.
- **Central Pakistan clasp:** ISAF ribbon with the Pakistan device mounted at the center for accurate identification.
- **Mounting options:** Available for ribbon bars with clamp attachments or rear screw fittings.
- **Durable materials:** Made with quality materials for long-lasting appearance and wear.
- **Compatible with multi-place bars:** Can be mounted on two-place or multi-place metal ribbon bars.

How to use / When it’s useful

Use this ribbon on uniform ribbon bars, award displays, or collector boards. Choose the flat regulation version for standard displays or the Elite variant for a slightly raised profile.

Quick answer: select the mounting style (clamp or rear screws) from the product options before adding to cart. In most cases, this ribbon fits standard metal ribbon bars and multi-place mounts used for military surplus and duty gear.

Care and notes

Simple care extends the ribbon’s appearance; store in a dry place and avoid harsh cleaning chemicals.

- Wipe gently with a soft, dry cloth to remove dust.
- Avoid exposure to strong solvents or abrasive cleaners to preserve colors and finish.
- Confirm the mounting style (clamp or rear screws) when ordering to match your ribbon bar.
- Limited availability: stock is finite, so check quantity before completing your order.

FAQ

Q: What variants are available for the Pakistan NATO ribbon?

A: It is offered in the flat regulation format and a slightly domed "Elite" variant. Choose the style that best matches your ribbon bar or display preference.

Q: How do I mount the ribbon to a ribbon bar?

A: The ribbon can be fitted to ribbon bars using clamp attachments or rear screws. Select your

preferred mounting method from the product options before purchase.

Q: Can this ribbon be mounted on multi-place ribbon bars?

A: Yes. It is suitable for two-place and multi-place metal ribbon bars designed to hold several ribbons on a single metal base.

Q: What materials are used for the ribbon?

A: The ribbon is made with quality materials intended for durability and long-term display. No special certifications are claimed beyond standard construction.

Q: Is the Pakistan NATO ribbon available in large quantities?

A: Availability is limited. Quantities can be small due to demand and production runs, so check current stock levels when ordering.

Q: How do I choose between clamp and screw mounting?

A: Match the mounting type to your existing ribbon bar: choose clamp fittings for snap-on style bars or rear screws for bars designed with screw holes. If unsure, inspect your ribbon bar or contact your supplier for compatibility guidance.

Tip: Choose the correct variant (flat or Elite) and the appropriate mounting option (clamp or rear screws) before checkout. Browse related ribbon bars and mount options to ensure a perfect fit without returns.
