Product overview

Nastrino AMIS Sudan Nato is a commemorative service ribbon for military personnel, veterans and collectors who value NATO-style insignia. It combines the Afghanistan commemorative ribbon with the AMIS Sudan identification band to recognise service related to Sudan under NATO framework.

Definition: a NATO-style service ribbon combining an Afghanistan campaign ribbon with an AMIS

Sudan band. Available in two widths and offered with selectable attachments for mounting on ribbon bars or displays. Limited quantities are available due to demand among military and collectors.

Main features

Designed for display on uniform ribbon bars, presentation mounts or collector boards, this ribbon suits military surplus, tactical and duty collections.

- **Regulation shapes:** standard flat format or slightly curved "Elite" variant.
- **Attachment options:** choice of clamp (morsetto) or screw fittings, selectable at purchase.
- **Sizes:** available in 37 mm and 20 mm widths.
- **Mounting compatibility:** can be fitted to multi-place ribbon mounts and metal bases for grouped display.
- **Design purpose:** commemorative ribbon combining Afghanistan ribbon with AMIS Sudan band in NATO style.

How to use / When it’s useful

Use the selected attachment (clamp or screws) to fit the ribbon to a standard ribbon bar, a collector board or a presentation mount. The flat or Elite shape lets you match the look of other ribbons in your collection.

Quick answer: choose the attachment type during ordering and install on your ribbon bar as you would any service ribbon.
In most cases, 37 mm fits standard full-size ribbon bars while 20 mm suits compact or miniature displays; pick the size that matches your existing mounts.

Care and notes

Simple care keeps the ribbon looking appropriate for display or wear. Check attachment type and size before ordering to ensure compatibility with your ribbon holder.

- Store in a dry place away from direct sunlight to avoid fading.
- Handle by the edges and avoid crushing the ribbon to preserve shape, especially the Elite variant.
- Confirm the chosen attachment (clamp or screws) matches your ribbon bar before checkout.
- Quantities are limited; ordering promptly reduces the chance of backorder.

FAQ

Q: What sizes are available for the Nastrino AMIS Sudan Nato?

A: The ribbon is offered in two widths: 37 mm and 20 mm. Choose the size that matches your ribbon bar or display.

Q: Can I select the type of attachment?

A: Yes. You can choose between a clamp (morsetto) or screw fittings when ordering. Select the option that fits your ribbon holder.

Q: Are there different shape options?

A: The ribbon is available in the regulation flat format and a slightly curved "Elite" variant for a different finish.

Q: Can this ribbon be mounted on multi-place ribbon holders?

A: Yes. It can be mounted on ribbon bars or metal bases designed to hold two or more ribbons together. Check compatibility with your chosen holder.

Q: What does this ribbon represent?

A: It represents a combination of the Afghanistan commemorative ribbon with the AMIS Sudan band, intended to recognise service connected to Sudan under the NATO/AMIS context.
