The ribbon represents service performed for at least 30 consecutive days or 60 cumulative days within the specified area (Libyan political boundaries, territorial waters and airspace, or the

southern central Mediterranean between 10°E and 28°E and south of 41°N). Service at support bases in Trapani, Sigonella, and support headquarters in Naples and Poggio Renatico is included.

FAQ

Q: Who is eligible to receive the OUP Libya Libye ribbon?

A: Eligibility is for those who served at least 30 consecutive days or 60 cumulative days under NATO Unified Protector between 23 March 2011 and 31 October 2011 within the specified area or at listed support bases.

Q: What mounting options are available?

A: You can choose a single ribbon holder with a clamp or with screws. Select your preferred fastening option from the product menu before purchase.

Q: Which sizes does the ribbon come in?

A: The ribbon is available in two formats: 37 mm and 20 mm. Pick the size that matches your ribbon bar or display setup.

Q: What is the difference between the flat and Elite variants?

A: The flat format is the standard regulation appearance. The Elite (bombata) variant has a raised, domed finish for a more distinctive look while keeping the same dimensions.

Q: Can I wear this ribbon if I did not serve in OUP?

A: Official protocol normally restricts wearing service ribbons to authorized recipients. If you did not serve, use the ribbon for collection or display rather than wearing it on an official uniform.

Q: I need the ribbon mounted on a multi-place bar—what should I do?

A: Choose the correct ribbon size and mounting option for your multi-place ribbon bar. If you need assistance, check the product options for ribbon mounts or contact customer support for guidance on multi-place configurations.

Tip: Choose the correct size (37 mm or 20 mm) and mounting option for your ribbon bar, and consider the Elite variant if you prefer a domed finish. Browse related ribbon mounts and display items to complete your uniform or collection.
