Product short description:

The Mozambique ONU ribbon is a service ribbon honoring personnel who served in ONU peacekeeping operations in Mozambique. It is suited for veterans, collectors, and commemorative displays.

- **Material:** Made from high-quality fabric for a durable, well-finished appearance.
- **Design:** Shows the distinctive colors of the Mozambique mission to reflect its historical identity.
- **Use:** Ideal for display, collections, remembrance events, or veteran recognition.
- **Significance:** A tangible tribute to those who contributed to stability and peace in Mozambique.

Product description:

Product overview

The Nastrino Mozambico ONU is the official ribbon awarded for service in the UN Operation Albatros in Mozambique, intended for veterans, active personnel, collectors, and military surplus or tactical gear retailers. It identifies participation in that specific UN mission and is worn as a small ribbon on dress uniforms or display mounts.

Definition: a 37 mm UN ribbon for the Mozambique (Operation Albatros) deployment, offered in regulation and Elite styles. This ribbon is an official recognition of service and is suitable for duty, police, and military display or collection.

Main features

Clear, regulation-compliant options and multiple mounting choices allow adaptation to uniform rules and personal display preferences.

- **Regulation flat format:** standard, professional appearance consistent with official ribbons.
- **Elite slightly domed variant:** a more refined look for presentation or collectors.
- **Attachment choices:** available with clamp-style fastener or screw mounting.
- **Custom multi-slot mounting:** options for two or more ribbons available in the matching mounting section.
- **Size:** supplied only in the 37 mm format to match other official ribbons.

How to use / When it’s useful

Quick answer: wear it on the dress uniform ribbon bar or add it to a display case to recognize service in Operation Albatros. Choose the attachment type (clamp or screw) based on your uniform’s existing mounting system.

In most cases, the flat regulation format suits standard duty and ceremonial wear, while the Elite domed variant is chosen for presentation pieces or collector displays. If you need multiple ribbons mounted together, select a multi-slot mount to keep alignment and appearance consistent.

Care and notes

Simple care preserves appearance and ensures a proper, respectful presentation.

- Store in a dry place and avoid prolonged exposure to direct sunlight.
- Clean gently with a soft, dry cloth; avoid solvents or abrasive cleaners.
- Choose clamp or screw attachment according to your uniform’s specifications.
- Verify unit or organizational rules before wearing official ribbons on a uniform.
- Availability is limited; demand can be high for this recognition.

FAQ

Q: What attachment options are available for the Nastrino Mozambico ONU?

A: You can order the ribbon with a clamp-style fastener or with screw mounting. Select the option that matches your ribbon bar or uniform mount.

Q: Is the ribbon available in sizes other than 37 mm?

A: No, this ribbon is supplied only in the 37 mm format to ensure consistency with other official ribbons.

Q: Can I buy a mounting bar for two or more ribbons?

A: Yes, multi-slot mounts for two or more ribbons are offered in the dedicated mounting section; choose the appropriate mount when ordering to keep ribbons aligned.

Q: What is the difference between the flat regulation and the Elite domed variant?

A: The flat format is the regulation appearance used for standard wear. The Elite variant has a slight dome for a more refined, presentation-style look.

Q: Is the Nastrino Mozambico ONU an official recognition?

A: Yes, the ribbon corresponds to the UN recognition for service in Operation Albatros in Mozambique and is intended as an official symbol of that service.

Q: How should I care for the ribbon to maintain its appearance?

A: Keep it dry and out of direct sunlight, clean with a soft cloth, and avoid chemicals. Use the correct attachment method to prevent damage to the ribbon or uniform.

Tip: Choose the attachment type and the flat or Elite variant that match your uniform and display needs; check size (37 mm) before ordering and browse related ribbon mounts and military surplus accessories to complete your presentation.
