Product overview

The UNMEE Eritrea UN ribbon is a service ribbon intended for collectors, veterans, and organizations that display mission awards from the United Nations Mission in Eritrea (UNMEE). It is issued to recognize participation in activities related to the cessation of hostilities and monitoring of force redeployments during the UNMEE operation.

Definition: this is the official 37 mm UNMEE Eritrea ribbon, produced in standard and Elite

finishes and available as a mounted ribbon or loose ribbon for medals. Suitable for military surplus sellers, tactical collectors, and duty or police display use.

Main features

High-quality reproduction of the UNMEE Eritrea ribbon with authentic colors and multiple mounting options to suit displays, collections, and medal mounting.

- **Regulation size:** 37 mm width (standard format).
- **Symbolic design:** UN blue outer stripes, green inner band for hope and fertility, and two white verticals representing religious freedom.
- **Finishes available:** flat regulation finish or slightly convex "Elite" variant.
- **Mounting options:** single-place ribbon mount with rear clamps or screws (selectable in the product dropdown).
- **Loose ribbon option:** sold as loose ribbon for medals in minimum lengths of 50 cm.
- **Durable materials:** manufactured to provide good durability and resistance for display and wear.

How to use / When it’s useful

Quick answer: use this ribbon as a mounted service ribbon on a ribbon bar or as a loose ribbon when attaching a medal. It is ideal for display cases, uniformed presentations, museum exhibits, and military surplus collections.

In most cases, collectors buy the 37 mm mounted ribbon for ribbon bars; hobbyists and medal makers order the loose ribbon by the 50 cm minimum for medal mounting. Choose the flat or Elite finish and the desired rear attachment (clamps or screws) at checkout.

Care and notes

Handle the ribbon gently and choose the correct mounting option for your display or uniform. The product is offered in limited quantities, so confirm your variant before ordering.

- Store in a dry place away from direct sunlight to preserve color.
- Do not use harsh chemicals or bleach on the ribbon fabric.
- Minimum length for loose ribbon purchases is 50 cm; select the mounted option for immediate ribbon-bar use.
- Limited availability: ordering the correct finish and attachment in the dropdown ensures proper fulfillment.

FAQ

Q: What size is the UNMEE Eritrea ribbon?

A: The ribbon is produced in the regulation 37 mm width format, suitable for standard ribbon bars and mounts.

Q: Which finishes are available?

A: You can choose the flat regulation finish or the slightly convex "Elite" variant, depending on the visual effect you prefer.

Q: Can I buy the ribbon loose for a medal?

A: Yes. Loose ribbon is sold with a minimum length of 50 cm, which is suitable for medal sewing or replacement.

Q: What mounting options are offered?

A: The product can be supplied on a single-place ribbon mount with rear clamp attachments or screw attachments; select the preferred option in the product dropdown.

Q: Is the ribbon suitable for collectors and tactical displays?

A: Yes. The ribbon is suited for collectors, military surplus displays, tactical or police memorabilia, and uniform presentation when permitted.

Q: How do I know the ribbon is good quality?

A: The ribbon is made from durable materials and produced to represent the UNMEE Eritrea design accurately; check product images and select the preferred finish before ordering.

Tip: Choose the correct finish and mounting option for your intended use — mounted for ribbon bars or loose ribbon for medals — and consider browsing related ribbon mounts and display items to complete your presentation.
