Product overview

The UN Personal Service Ribbon for staff serving in New York is a service recognition ribbon intended for United Nations personnel who served on duty in New York. This ribbon is offered in regulation and Elite styles and is suitable for military surplus collectors, tactical gear displays, and duty or police commemorative use.

Definition: a service ribbon awarded to UN staff in New York, available as a finished ribbon or as loose ribbon by the metre. It is a durable, wearable emblem designed for display on ribbon bars and uniform mounts.

Main features

Well-made and available in multiple formats to match uniform requirements and personal preference.

- **Regulation flat format:** classic, professional appearance for standard ribbon bars.
- **Elite slightly domed variant:** a refined look with gentle curvature for a distinctive finish.
- **Attachment options:** choose screw-type or clamp-type ribbon bar mounts from the product menu.
- **Two size options:** available in 37 mm and 20 mm widths to fit different mounts and displays.
- **Multiple-mount packaging:** can be fitted on two- or multi-place metal ribbon bars to hold several ribbons together.
- **Sold by the metre:** loose ribbon is available in minimum lengths of 50 cm for sewing or custom work.

How to use / When it’s useful

Use the finished ribbon on uniform ribbon bars or attach it to display mounts for collections and ceremonial wear. It is suitable for UN staff, veterans, collectors of military surplus, and police or duty memorabilia displays.

Quick answer: choose the 37 mm or 20 mm size to match your existing ribbon bar. In most cases, pick the flat regulation format for standard uniforms and the Elite variant for a slightly elevated appearance.

Care and notes

Designed for long-term wear and display; handle with care when sewing or fitting to metal mounts. Availability is limited, so check chosen options before purchase.

- Keep away from prolonged moisture to preserve colors and fabric.
- Select the correct mount type (screw or clamp) to match your ribbon bar.
- Minimum order for loose ribbon is 50 cm—order accordingly for repairs or custom projects.
- Limited stock: allow time for restocking if your chosen variant is not available.

FAQ

Q: What sizes are available for this ribbon?

A: The ribbon is available in two widths: 37 mm and 20 mm. Choose the size that matches your ribbon bar or display.

Q: Can I buy the ribbon in larger quantities?

A: Yes. Loose ribbon is sold by the metre with a minimum purchase of 50 cm, suitable for repairs or custom orders.

Q: What mounting options are offered?

A: You can select a ribbon bar mount with either screw-type or clamp-type attachments from the product menu to ensure a secure fit.

Q: Is a multi-place mounting available?

A: Yes. The ribbon can be mounted on two- or multi-place metal bases that hold several ribbons together on a single bar.

Q: What is the difference between the regulation and Elite variants?

A: The regulation format is flat for a traditional look; the Elite variant is slightly domed for a more refined appearance while keeping the same dimensions.

Q: Is this ribbon appropriate for tactical or police displays?

A: Yes. It is suitable for tactical gear collections, police and duty displays, and military surplus showcases where authentic service ribbons are required.

Tip: Choose the correct width and attachment type before ordering. Consider the regulation or Elite style for the look you prefer, and check multi-place mounts if you plan to display several ribbons together. Browse related ribbon bars and mounting options to complete your presentation.
