Product overview

The **EU Monitor Mission in Ex-Jugoslavia** ribbon is a service ribbon for personnel, veterans, and collectors related to European Union monitoring missions in the former Yugoslavia. It suits uniformed duty, tactical display, and military surplus collections.

Definition: a 37 mm service ribbon that identifies participation in the EU Monitor Mission in the territories of the former Yugoslavia. Keywords: tactical, military surplus, duty, police.

Main features

Available in standard and slightly convex finishes, with multiple mounting options to fit typical ribbon bars and displays.

- **Regulation size:** Standard 37 mm width for uniform ribbon bars.
- **Elite variant:** Slightly domed (convex) finish for a refined appearance.
- **Mounting options:** Choose ribbon-bar holder with clamp (morsetti) or screw attachment.
- **Loose ribbon option:** Purchase as a loose medal ribbon if you prefer independent mounting.
- **No silver metal trim:** Supplied without a silver metal mounting strip.
- **Durable materials:** Made to withstand regular wear on uniforms and displays.

How to use / When it’s useful

Use this ribbon on standard 37 mm ribbon bars for uniforms, dress displays, or in military surplus collections. It is suitable for active duty personnel, veterans, police, and collectors who document EU monitoring service.

Quick answer: fit the ribbon to any compatible 37 mm ribbon bar using the chosen holder (clamp or screws). In most cases, the Elite (domed) variant is chosen for presentation or display, while the flat regulation format is used for standard uniform wear.

Care and notes

Keep the ribbon clean and stored flat when not in use to preserve color and shape.

- Store away from direct sunlight and moisture to avoid fading.
- Select the correct holder type (clamp or screws) before checkout for easy installation.
- Available only in 37 mm and without silver metal trim—confirm fit for your ribbon bar.
- Limited availability: stock can run low due to demand; consider choosing your preferred variant early.

FAQ

Q: What size is the ribbon?

A: The ribbon is supplied in the regulation 37 mm width, suitable for standard ribbon bars and displays.

Q: Can I choose the type of ribbon-bar holder?

A: Yes. During selection you can choose a holder with clamp (morsetti) or with screws, depending on how you plan to mount the ribbon.

Q: Is the ribbon available with a silver metal trim?

A: No. This ribbon is offered only without a silver metal mounting strip.

Q: Can I buy the ribbon as a loose medal ribbon?

A: Yes. There is an option to purchase the ribbon as a loose medal ribbon for custom mounting or display.

Q: How do I get multiple ribbons mounted on a bar?

A: Multiple-ribbon mounting is handled via compatible ribbon-bar products; choose the correct holder and specify the arrangement when ordering or consult product details for multi-bar packaging options.

Q: Is this a limited item?

A: The ribbon is in high demand and stock can be limited. If you need a specific variant, consider ordering soon to secure your chosen format.

Tip: Choose the correct format (flat 37 mm or Elite domed) and holder (clamp or screws) before adding to cart, and browse related ribbon-bar and display items to complete your uniform or collection.
