Product short description:

The Nastrino Althea EU Bosnia is an elegant, versatile ribbon accessory for anyone seeking a refined, polished accent to everyday or formal outfits. It adds a subtle, classy detail that complements both workwear and evening looks.

- **Material:** Made from high-quality materials for a smooth appearance and lasting use.
- **Design:** Refined color and understated style that add a touch of sophistication without overpowering the outfit.
- **Occasions:** Suitable for the office, formal events and smart-casual occasions.
- **Match:** Easily pairs with coats, shirts and dresses to complete a well-considered look.

Product description:

Product overview

The **Althea EU Bosnia** ribbon is a recognition ribbon for civilian and military personnel who contributed to the European Union's common security and defence policy. It is intended for wear on service or dress uniforms and for collectors of military surplus, tactical and duty equipment.

Definition: a service ribbon awarded to individuals who supported the EU Althea mission in Bosnia. Available in standard and slightly domed variants, with options for different mounts and

sizes.

Main features

Designed to match official appearance and to fit ribbon bars or individual mounts; choose the format and attachment that suits your uniform or display.

- **Regulation flat format:** standard, professional look.
- **Slightly domed “Elite” variant:** a refined, slightly raised finish for a distinct appearance.
- **Attachment options:** selectable clamp (morsetti) or screw mounts for secure fixing.
- **Two sizes:** available in 37 mm and 20 mm to match different ribbon bars.
- **Multi-ribbon compatibility:** can be fitted on multi-place metal ribbon bars for grouped display.

How to use / When it’s useful

Use the ribbon on service or dress uniforms where regulations permit, or add it to a display or military surplus collection. Select the mount type (clamp or screws) that matches your ribbon bar or sewing method.

Quick answer: wear it on approved uniforms or mount it on a ribbon bar for display. In most cases, choose the 37 mm size for full-size ribbon bars and 20 mm for compact or miniature bars.

Care and notes

Basic care keeps the ribbon presentable and ready for wear or display.

- Store in a dry place and avoid prolonged exposure to sunlight to preserve colors.
- Choose the correct size (37 mm or 20 mm) and attachment (clamp or screw) before ordering.
- The Elite variant is slightly domed and may sit differently on narrow bars—check fit before final mounting.
- Stock may be limited; consider availability when selecting multiple items.
- Verify local uniform rules before wearing: some organizations restrict non-official ribbons.

FAQ

Q: Who can receive the Althea EU Bosnia ribbon?

A: The ribbon is awarded to civilian and military personnel who contributed to the EU's common security and defence policy. It serves as formal recognition of service related to the Althea mission.

Q: What sizes are available?

A: The ribbon is offered in two sizes: 37 mm and 20 mm. Choose 37 mm for standard ribbon bars and 20 mm for compact displays or miniature arrangements.

Q: What attachment options exist?

A: You can select a mount with clamp-style attachments or screw mounts. Pick the option that fits your ribbon bar or preferred mounting method.

Q: What is the Elite variant?

A: The Elite variant is a slightly domed version of the ribbon that gives a more pronounced, finished look compared with the flat regulation format.

Q: Can I mount multiple ribbons together?

A: Yes. This ribbon can be fitted onto multi-place metal ribbon bars for grouped display. Multi-place ribbon bars are usually sold separately.

Q: Is this product suitable for tactical or police use?

A: The ribbon is appropriate for wear on duty or dress uniforms where regulations permit. It is also suitable for collectors of military surplus and tactical memorabilia.

Tip: Choose the correct size (37 mm or 20 mm) and attachment (clamp or screws) for your ribbon bar before ordering, and browse related ribbon bars and mounts to complete your display without delay.
