- **Finish:** Smooth, refined surface that improves presentation.
- **Colors:** Offered in a range of vivid colors to match your project.
- **Handling:** Versatile and easy to cut, tie and shape for bows and trims.

Product description:

Product overview

The UEO-WEU commemorative ribbon (Nastrino Commemorativo UEO Unione Europea Occidentale - WEU) is a ribbon for collectors, veterans, reenactors, uniformed services and anyone who wants to mark service or support for the Western European Union. It suits display on ribbon bars, uniform wear, or as part of a military surplus collection.

Definition: A commemorative ribbon is a narrow cloth ribbon used on uniforms or ribbon bars to indicate service, membership or commemoration. Suitable for tactical, military surplus and police/duty displays and collections.

Main features

Simple, regulation-fit ribbon options with mounting choices for secure display.

- **Regulation flat format:** classic, standard flat ribbon style.
- **Elite slightly domed variant:** refined, slightly curved appearance.
- **Mounting options:** available with a ribbon bar fitted with a rear clamp or with screws for secure attachment.
- **Standard width:** available only in 37 mm width.
- **Loose ribbon option:** can be purchased as a loose ribbon for custom mounting.
- **Multi-place mounting:** can be fitted on two- or multi-place ribbon bars for combined displays.

How to use / When it’s useful

Quick answer: use the ribbon on a ribbon bar or wear it on a uniform to commemorate service or membership tied to the UEO/WEU. It works well for display, collections, or formal uniforms when regulations permit.

In most cases, attach the ribbon using the supplied rear clamp or screws, or buy it loose to add to an existing ribbon bar. It is useful for collectors, military surplus displays, police duty boards and ceremonial use.

Care and notes

Keep the ribbon tidy and attach using the correct mount to ensure a secure, neat display.

- Store in a dry, clean place to avoid fading or damage.
- Attach with the supplied clamp or screws; loose ribbons require a suitable ribbon bar for mounting.
- Only available in 37 mm width—confirm fit before ordering.
- Limited availability: demand can be high, so consider ordering your required variant soon.

FAQ

Q: What are the dimensions of the UEO-WEU ribbon?

A: The ribbon is supplied in a standard 37 mm width. It is offered in a flat regulation format and an Elite slightly domed variant.

Q: Can I buy the ribbon without a mount?

A: Yes. You can choose the loose ribbon option at purchase if you prefer to mount it yourself or add it to an existing ribbon bar.

Q: How is the ribbon attached to a uniform or bar?

A: The ribbon can be bought with a ribbon bar fitted with a rear clamp or with screws. Use the appropriate mounting method to ensure a secure fit.

Q: Is the ribbon available in other sizes?

A: Currently the commemorative UEO-WEU ribbon is only available in the 37 mm width. Please check size compatibility before ordering.

Q: Can I combine this ribbon with other ribbons on the same bar?

A: Yes. The ribbon can be mounted on two- or multi-place ribbon bars to combine it with other ribbons for a consolidated display.

Q: Is this ribbon suitable for collectors and display use?

A: Yes. It is designed for collectors, veterans and uniform displays, and is commonly used in military surplus and ceremonial contexts.

Tip: Choose the correct variant (flat or Elite) and mounting option (clamp or screws) to fit your ribbon bar; consider buying loose ribbons if you plan custom arrangements and browse related ribbon bars and mounting accessories to complete your display.
