Product overview

The **nastrino Kuwait senza riportino** is a 37 mm military medal ribbon for collectors, serving personnel, and shops selling tactical or military surplus and police duty gear. It is offered in two finishing styles and multiple mounting options to fit standard ribbon bars.

Definition: the nastrino Kuwait senza riportino is a 37 mm medal ribbon (without device) available in flat regulatory and slightly domed "Elite" finishes, with optional loose ribbon for medal

assembly.

Main features

Key details at a glance for easy selection and fitting on most ribbon bars.

- **Regulation flat format** for a classic, orderly appearance.
- **Slightly domed "Elite" version** for a refined look.
- **Mounting options:** rear clamp or screw attachment, selectable from the product dropdown.
- **Standard 37 mm width** — compatible with most ribbon bars.
- **Loose medal ribbon available** as an option for custom assembly.
- **Made from durable materials** suitable for field use, display, and collections.

How to use / When it’s useful

Use the **nastrino Kuwait senza riportino** on individual ribbon bars, duty racks, display mounts, or when assembling medals. Choose the clamp or screw mounting depending on your ribbon bar type and how permanent you want the fit to be.

Quick answer: select clamp mounting for easy installation and screws for a more secure, permanent fit. In most cases, the 37 mm size fits standard duty, police, and military ribbon holders without modification.

Care and notes

Simple handling and storage will keep the ribbon in good condition for display or service use.

- Store flat or on a ribbon bar to avoid creasing.
- Clean gently with a soft, dry cloth; avoid solvents.
- Confirm mounting choice (clamp or screws) before ordering to match your ribbon bar type.
- Available in limited quantities; order promptly if you need a specific finish or loose ribbon.

FAQ

Q: What mounting options are available?

A: You can choose a rear clamp attachment or screw mounting from the product dropdown. Pick the option that matches your ribbon bar or desired installation method.

Q: Is the nastrino available in sizes other than 37 mm?

A: No, this ribbon is produced only in the standard 37 mm width to ensure compatibility with typical ribbon holders.

Q: Can I buy the loose ribbon separately?

A: Yes. Select the loose medal ribbon option in the dropdown if you need the ribbon alone for custom assembly.

Q: Is this ribbon suitable for all uniforms?

A: The regulation 37 mm format and mounting choices make it suitable for most military, police, and duty uniforms, but check your unit or service dress rules before fitting.

Q: How long does delivery take?

A: Delivery times depend on stock levels and destination. Orders are usually shipped within a few working days when items are in stock.

Q: Can the ribbon be fitted to multi-slot ribbon bars?

A: Yes. For ribbon bars with two or more slots, choose the appropriate mounting option and follow the ribbon bar assembly guidance available in our product listings or help section.

Tip: Choose the finish and mounting option that match your ribbon bar (clamp for temporary fitting, screws for permanence). Consider adding the loose ribbon option if you need to assemble or repair medal sets, and browse related ribbon bars and fittings to complete your setup.
