Product overview

The Nastrino Minesota Commendation is a service ribbon for military, police, and tactical uniforms to recognize dedication and distinguished service. It suits collectors, uniform suppliers, and units issuing duty or ceremonial awards.

Definition: the Nastrino Minesota Commendation is a 37 mm ribbon device available in flat regulation and a slightly domed "Elite" finish, offered with selectable mounting options. This military surplus-style ribbon fits standard ribbon bars and duty uniforms.

Main features

Built for durability and clear presentation, the ribbon comes in two finishes and multiple mounting choices to match your ribbon bar or display needs.

- **Two finishes:** flat regulation and slightly domed Elite version for a refined look.
- **Mounting options:** rear clamp or screw attachments, selectable from the product menu.
- **Standard size:** 37 mm width, compliant with common ribbon bar dimensions.
- **Loose ribbon option:** available to purchase as a loose medal ribbon for custom mounting.
- **Durable materials:** made to withstand regular wear on tactical, duty, or ceremonial uniforms.

How to use / When it’s useful

Quick answer: choose the finish and the rear attachment (clamp or screw) that matches your ribbon bar or display frame. The product is ready for mounting on single or multi-place ribbon bars used in military, police, and tactical gear.

In most cases, select the clamp for easy attachment and the screw option for permanent fitting. Use the loose ribbon option if you need to sew or custom-fit the ribbon to a medal or non-standard mount.

Care and notes

Keep the ribbon clean and store it flat to preserve shape and finish. Check mounting compatibility before final installation.

- Handle by the edges to avoid fingerprints on the finish.
- Select the correct rear attachment from the dropdown when ordering.
- Available in limited quantities—stock may vary.
- Only offered in the 37 mm standard size; verify ribbon bar compatibility before purchase.

FAQ

Q: What size is the Nastrino Minesota Commendation?

A: The ribbon is available only in the standard 37 mm width, suitable for most ribbon bars and military surplus displays.

Q: Can I choose the type of rear attachment?

A: Yes. You can select either a clamp (morsetto) or screw (viti) rear attachment from the product menu to match your mounting preference.

Q: Is there an option to buy the ribbon loose?

A: Yes. The ribbon can be purchased as a loose medal ribbon if you prefer to sew or fit it onto a custom mount.

Q: What is the difference between the flat and Elite versions?

A: The flat version follows the regulation profile, while the Elite version has a slight dome for a more pronounced appearance on duty or ceremonial uniforms.

Q: Can this ribbon be mounted on multi-place ribbon bars (portanastrini)?

A: Yes. It is designed to be compatible with multi-place ribbon bars; choose the appropriate rear attachment or the loose ribbon option for custom assembly.

Q: Is the product always in stock?

A: Quantities are limited and demand can be high. If stock is low, consider selecting an alternative finish or the loose ribbon option.

Tip: Choose the finish and rear attachment that match your ribbon bar needs, and check the 37 mm size before ordering; browse related ribbon bars and mounting hardware to complete your display.
