Product overview

The **Dancon March in Afghanistan ribbon** is a display ribbon for service members, veterans, and collectors who took part in the Dancon March in Afghanistan. It is aimed at military personnel, police or duty collectors and anyone preserving campaign participation.

Definition: the Dancon March in Afghanistan ribbon is a 37 mm campaign ribbon produced in two styles (flat regulatory and slightly domed "Elite") and available with different mounting options or

as a loose medal ribbon. Choose clamp or screw attachment from the dropdown; the ribbon can also be ordered loose.

Main features

Durable, regulation-sized ribbon available in two finishes and multiple mounting options for display on ribbon bars or as a loose ribbon.

- **High-quality construction:** made for long-lasting wear and display.
- **Two design options:** flat regulatory format and slightly domed Elite finish.
- **Mounting choices:** rear clamp (morsetto) or screw attachments selectable at purchase.
- **Standard size:** 37 mm width, compliant with common ribbon-bar dimensions.
- **Loose ribbon option:** available as a loose medal ribbon for custom mounting.
- **Suitable for collectors and service use:** fits multi-place ribbon bars or individual display.

How to use / When it’s useful

Quick answer: select the finish (flat or Elite) and the mounting type (clamp or screws) from the dropdown before adding to cart. For display, mount on a single or multi-place ribbon bar depending on your setup.

In most cases, service members will mount the ribbon on their ribbon bar using the chosen attachment; collectors often buy the loose ribbon for custom framing or mounting. The 37 mm size fits standard ribbon bars used in military surplus, tactical, and police displays.

Care and notes

Simple handling and correct selection at purchase ensure the ribbon fits your display needs.

- Confirm the desired finish (flat or Elite) and attachment type before ordering.
- Only available in the 37 mm standard width; not offered in other sizes.
- Can be purchased as a loose medal ribbon for custom mounting on ribbon bars or frames.
- Stock is limited; check availability before finalizing large orders.
- For multi-place ribbon bars, verify compatibility with your ribbon holder or portanastrini style.

FAQ

Q: What variants are available for the Dancon March in Afghanistan ribbon?

A: The ribbon comes in two variants: the flat regulatory format and a slightly domed "Elite" finish. Choose the preferred style from the product options.

Q: How can I mount the ribbon on a ribbon bar?

A: Mounting options include a rear clamp (morsetto) or screw attachment. Select the attachment type from the dropdown menu when ordering.

Q: What is the ribbon size?

A: The ribbon is produced in the standard 37 mm width, suitable for most military and collector ribbon bars.
