Definition: Tiger Stripes camouflage is a 100% cotton rip-stop combat uniform consisting of a jacket with four front pockets and trousers with six button-closure pockets.

Main features

Built for durability and practical use in the field, the uniform balances comfort with functional details.

- **Material:** 100% cotton rip-stop for tear resistance and durability.
- **Jacket pockets:** Four front pockets for quick access to essentials.
- **Trousers pockets:** Six button-closure pockets for secure storage.
- **Waist adjustment:** Straps at the waist of the trousers for a customizable fit.
- **Reinforced areas:** Trousers reinforced at the crotch to withstand heavy use.
- **Marking:** Fabric overprint reads “Tiger Stripes products” as a design detail.

How to use / When it’s useful

Quick answer: Use this uniform as a hard-wearing outer layer for training, airsoft, patrols, outdoor work or general field use. It suits tactical, military surplus and duty applications where durability and pocketing matter.

In most cases, wear the jacket and trousers together for full protection and consistent camouflage; add a waterproof outer layer in wet conditions. The waist straps help fine-tune fit so the trousers remain comfortable during active movement.

Care and notes

Follow simple care steps to preserve fabric and prints; be aware of limitations implied by the materials.

- Wash by hand or machine on a low-temperature cycle to protect the rip-stop fabric and printed text.
- Not waterproof: cotton rip-stop resists tearing but will not repel heavy rain—use an additional waterproof layer if needed.
- Adjust waist straps before heavy use to reduce stress on seams and the reinforced crotch.
- Limited availability: stock can be low due to demand, so check sizes early.
