Product overview

The UNMIH Missione Haiti ONU ribbon is a service ribbon for military personnel who supported training and stability efforts with Haiti’s national police as part of the UNMIH mission. Definition: this is a 37 mm wide military ribbon bar representing service or participation in the UNMIH Mission Haiti.

This ribbon suits serving personnel, veterans, collectors, and anyone fitting ribbon bars or medals for formal uniforms, display cases, or military surplus stores. It is made to integrate cleanly with standard ribbon holders and medal mounts.

Main features

Key features and purchase options designed for uniform wear and display.

- **Regulation and Elite shapes:** Available in the flat regulatory format or a slightly domed Elite variant to match uniform preferences.
- **Mounting options:** Choose with or without a ribbon holder; holders available with clamp or screw attachments for secure fitting.
- **Standard width:** Manufactured at the fixed width of 37 mm for correct uniform compatibility.
- **Loose ribbon option:** Also available as a loose ribbon for medal conversion or custom mounting.
- **Multiple-ribbon mounting:** Options to house two or more ribbons together on a metal base for an orderly presentation.
- **Quality construction:** Made with high-quality materials and careful craftsmanship to keep colors and details sharp.

How to use / When it’s useful

Use the UNMIH Mission Haiti ribbon on service ribbon bars, in medal displays, or as a replacement ribbon for awards and commemorations. It fits standard uniform ribbon arrangements and is suitable for both daily duty and ceremonial wear.

Quick answer: choose the flat regulatory format for standard uniform use, or the Elite domed finish for a slightly raised display look. In most cases, select the holder type (clamp or screws) that matches your uniform mounting system and choose the loose ribbon option if you need to fit it to a medal.

Care and notes

Small care steps keep the ribbon looking its best and ensure correct fit on uniforms or displays.

- Store dry and away from direct sunlight to preserve colors.
- Confirm the 37 mm width fits your holder or medal before ordering.
- Choose clamp or screw attachments based on your uniform’s mounting method.
- Stock is limited—consider ordering the correct variant to avoid delays.

FAQ

Q: What buying options are available for the UNMIH Mission Haiti ribbon?

A: You can buy the ribbon in flat regulatory or slightly domed Elite shapes, with or without a ribbon holder, and choose clamp or screw attachments for the holder.

Q: Is the ribbon offered in different widths?

A: No. The ribbon is produced only in the standard width of 37 mm to match typical uniform ribbon bars and holders.

Q: Can I order the ribbon as a loose piece for a medal?

A: Yes. A loose ribbon option is available for conversion to a medal strap or for custom mounting on medal hardware.

Q: What materials are used for the ribbon?

A: The ribbon is made with high-quality materials and precise craftsmanship to ensure durability and clear detailing, suitable for regular wear and display.

Q: Are there options to mount multiple ribbons together?

A: Yes. You can choose holders or metal bases that accommodate two or more ribbons mounted side by side for a tidy, professional appearance.

Q: Is availability limited?

A: Yes, quantities are limited due to demand. If you need a specific variant or holder, it’s best to add it to your cart to secure the correct item.

Tip: When ordering, double-check the 37 mm width and choose the flat or Elite variant and the correct holder type (clamp or screws) to match your uniform. Also consider browsing matching ribbon holders and medal accessories to complete your display or service rack.
