- **Design:** Shows the distinctive Sinai mission colors and pattern.
- **Use:** Suitable for collection, uniform display, or framing.
- **Display:** Ready to be shown alongside other ribbons and medals.
- **Audience:** Ideal for veterans, collectors and military history enthusiasts.

Product description:

Product overview

The **Sinai ONU MFO ribbon** is a service ribbon awarded to military personnel who served under the Director General of the Multinational Force and Observers (MFO) while monitoring the ceasefire between Egypt and Israel. It is intended for serving personnel, veterans, uniformed duty staff and collectors of military surplus items.

Definition: the Sinai ONU MFO ribbon is a 37 mm service ribbon recognizing peacekeeping duties

with the MFO. This ribbon suits tactical and dress uniforms as well as display and collection purposes.

Main features

Available in two official styles and multiple mounting options to match uniform rules or display preferences.

- **Two styles:** Regulation flat version and Elite slightly curved (for a refined look).
- **Size:** Supplied in the standard 37 mm ribbon width.
- **Loose ribbon option:** Ribbon sold by the metre with a minimum length of 50 cm.
- **Mounting choices:** Supplied with either clamp fittings for quick application or screw fittings for secure attachment.
- **Multi-ribbon bars:** Can be mounted on metal multi-slot ribbon bars with two or more positions for an ordered display.
- **Quality:** Made from durable materials and produced to meet official appearance requirements.

How to use / When it’s useful

Quick answer: Wear the ribbon on the service ribbon bar of the uniform, or mount it on a metal ribbon bar for display. Choose clamps for shirts and screws for jackets where stronger fastening is needed.

In most cases, the flat regulation style is preferred for standard duty uniforms, while the Elite slightly curved version is often chosen for dress uniforms or collectors who want a polished appearance. Use the loose ribbon lengths to replace worn ribbons or to create custom displays.

Care and notes

Basic care keeps the ribbon presentable and preserves colors and fittings.

- Keep dry and store flat to avoid creasing or deformation.
- Avoid harsh chemicals or solvents that can damage fabric and metal fittings.
- Select the correct attachment (clamp or screw) for the garment to prevent damage to the uniform.
- Availability may be limited; check stock before finalizing uniform preparations.

FAQ

Q: What is the size of the Sinai ONU MFO ribbon?

A: The ribbon is supplied in the standard 37 mm width. This is the only ribbon width offered for this specific item.

Q: Can I buy the ribbon in loose lengths?

A: Yes. Loose ribbon is available from a minimum length of 50 cm. Select the loose ribbon option when ordering.

Q: What mounting options are available?

A: You can choose between clamp fittings for easy on/off use or screw fittings for a firmer, more secure mount on jackets.

Q: Is it possible to mount multiple ribbons together?

A: Yes. We provide mounting on metal multi-slot ribbon bars with two or more positions to keep multiple ribbons neat and aligned.

Q: Are these ribbons suitable for uniforms and collections?

A: Yes. They are made from durable materials and produced to match official appearance standards for duty wear, dress uniforms, and collector displays.

Q: Is the Sinai ONU MFO ribbon always available?

A: Stock can be limited due to demand. If you need a specific style or mounting, check current availability before completing your purchase.

Tip: Choose the ribbon style and attachment that match your uniform or display needs—flat regulation for standard duty, Elite slightly curved for dress. Consider loose ribbon lengths if you need replacements, and browse related ribbons and mounting bars to assemble a complete, orderly ribbon display.
