Product short description:

The DOSB Bronze ribbon is the ribbon bar for the German Sports Badge, ideal for athletes and uniformed personnel who earned the bronze level. It offers a refined, wearable way to display your official sports achievement on uniforms or athletic clothing.

- **Material:** High-quality construction for a neat, durable ribbon.
- **Use:** Represents the official German Sports Badge (Brevetto Sportivo Tedesco) as a wearable insignia.
- **Appearance:** Bronze tone, elegant and discreet for formal or training wear.
- **Wear:** Suitable to display on uniforms, jackets or sports clothing.

Product description:

Product overview

The Nastrino DOSB Bronzo is a third-class German sports brevet ribbon for people who have passed the physical and athletic tests promoted by the Deutscher Olympischer Sportbund (DOSB). It is intended for collectors, uniform wearers and personnel who value official athletic recognitions on tactical, military surplus, duty or police gear.

Definition: the Nastrino DOSB Bronzo is a black ribbon with colored edge stripes and a central

bronzed metal plate marked "DOSB" between laurel and oak motifs, signifying athletic achievement. The ribbon is noted for its clean design and quality materials, suitable for display on uniform ribbon bars or collector mounts.

Main features

Well-made ribbon available in standard sizes and two finishes to suit different uniforms and display preferences.

- **Design:** Black ribbon with colored vertical stripes: light blue and yellow at the left end, green and red at the right end (as viewed).
- **Central plate:** Bronzed metal plate with "DOSB" framed by laurel and oak leaves, symbolizing victory and strength.
- **Sizes:** Available in regulation widths of 37 mm and 20 mm for compatibility with common ribbon bars.
- **Finishes:** Traditional flat version and a slightly domed "Elite" variant for a refined look.
- **Attachment options:** Rear mounts available with either screw or clamp fittings to suit different installation needs.
- **Mounting:** Can be fitted to single or multi-slot ribbon bars to combine with other ribbons on a single metal base.

How to use / When it’s useful

Quick answer: Wear the Nastrino DOSB Bronzo on the appropriate ribbon bar or add it to a collector’s display to show participation and achievement in DOSB athletic tests. Use the 37 mm or 20 mm size that matches your ribbon bar or uniform specification.

In most cases: choose the flat or Elite variant based on the formality of the uniform or the look you prefer; select screw or clamp rear fittings depending on your ribbon bar type. This ribbon is useful for uniform presentation, historical collections, or as part of a military surplus or tactical display.

Care and notes

Keep the ribbon in good condition by storing it away from moisture and cleaning the metal plate gently. Check compatibility with your ribbon bar before purchase to ensure correct fit and fixed attachment style.

- Store in a dry place to prevent discoloration or tarnish.
- Clean the bronzed plate with a soft, dry cloth; avoid abrasive cleaners.
- Confirm 37 mm or 20 mm size and rear attachment type (screw or clamp) before ordering.
- Suitable for mounting on multi-slot ribbon bars—ensure the base width matches your setup.

FAQ

Q: What sizes are available for the Nastrino DOSB Bronzo?

A: The ribbon is offered in two regulation widths: 37 mm and 20 mm. Choose the size that matches your ribbon bar or uniform specification.

Q: Which finish options exist?

A: There are two finishes: a traditional flat ribbon and a slightly domed "Elite" variant for a more refined appearance.

Q: What rear attachment options can I choose?

A: You can select rear fittings with either screw attachments or clamp fittings. Pick the option that fits your ribbon bar type.

Q: Can this ribbon be mounted with other ribbons?

A: Yes. The Nastrino DOSB Bronzo can be installed on single-slot or multi-slot metal ribbon bars to combine with other ribbons.

Q: Is this an official DOSB award?

A: The ribbon represents the DOSB bronze brevet as described; it is a recognition tied to the Deutscher Olympischer Sportbund athletic tests and is presented as a ribbon for display.

Q: How do I choose the right variant and attachment?

A: Match the ribbon width (37 mm or 20 mm) to your ribbon bar and pick flat or Elite based on desired appearance. Select screw or clamp attachment according to how your bar is fitted.

Tip: When ordering, confirm the correct size and rear attachment to match your ribbon bar, and consider the flat or Elite finish for the look you want. Browse related tactical and military surplus ribbon bars and mounting options to complete your display without guesswork.
