Product overview

The **nastrino Valore Marina Stella Oro e Fronde** is an official-style ribbon worn to recognize

exceptional acts of courage at sea; it is intended for awardees, collectors, and uniformed personnel who want an accurate representation of this naval distinction. Definition: this ribbon represents recognized valor in maritime rescue, prevention of sea incidents, or mitigation of their effects.

Suitable for military, police, duty and tactical collections, the ribbon is offered in standard formats and mounting options to match uniform requirements or display needs. Availability is limited due to demand, so selecting the correct size and mount at purchase is recommended.

Main features

Practical, regulation-style ribbon made for display on uniforms or metal ribbon bars; choose the format and mounting that fits your use.

- **Regulation formats:** available flat (piatto) or domed (bombato).
- **High-quality materials:** durable construction for long-lasting appearance.
- **Mounting options:** can be fitted to a ribbon bar with clamp (morsetti) or screw attachment.
- **Sizes:** offered in 37 mm and 20 mm widths.
- **Multi-ribbon packaging:** available for two or more ribbons mounted together on a single metal base.
- **Uniform compatibility:** designed for use on military, police and other duty uniforms.

How to use / When it’s useful

Quick answer: wear the ribbon on the appropriate uniform ribbon bar or add it to a collected display for recognition of maritime bravery. Choose flat or domed format and the correct width (37 mm or 20 mm) to match existing ribbons.

In most cases, the ribbon is fitted to a metal ribbon bar using either clamps or screws depending on preference and uniform regulations. It is also appropriate for tactical or military surplus collections and ceremonial displays.

Care and notes

Keep the ribbon in good condition with basic care and the correct mounting for secure wear.

- Store in a dry, cool place to prevent discoloration or corrosion.
- Avoid abrasive cleaners or chemicals that can damage the finish.
- Choose the proper width (37 mm or 20 mm) and mounting type for your ribbon bar.
- For official wear, follow the issuing authority’s rules regarding placement and authorization.

FAQ

Q: What sizes are available?

A: The ribbon is available in two sizes: 37 mm and 20 mm, to suit different ribbon bars and uniform styles.

Q: Can I request a specific mounting?

A: Yes. You can request mounting on a ribbon bar with either clamp (morsetti) attachment or screw attachment for a secure fit.

Q: Is this ribbon suitable for uniforms?

A: Yes. The ribbon is designed for wear on military, police and other duty uniforms, subject to the wearer’s regulations and authorization.

Q: What actions does this ribbon recognize?

A: It recognizes acts of courage aimed at saving lives at sea, preventing maritime incidents, or reducing their consequences, performed by Italian or foreign citizens under qualifying circumstances.

Q: Can several ribbons be mounted together?

A: Yes. Packaging and mounting options are available for two or more ribbons mounted on a single metal base to create a combined ribbon bar.

Q: How do I purchase the ribbon?

A: Add the chosen size and mounting option to your cart and complete checkout on the site. Select the correct variant to match your ribbon bar or display needs.

Tip: Choose the correct format (flat or domed) and size (37 mm or 20 mm) before checkout, and consider a multi-place ribbon bar if you plan to display several ribbons; browse related military, tactical and police ribbon accessories to complete your set.
