Product short description:

The Nastrino Valore Aeronautica con Stella Oro is a service ribbon for aeronautical personnel, intended for wear on uniforms and at official ceremonies. It acknowledges dedication and professional achievement within aeronautical service.

- **Material:** Made from high-quality fabric with a gold star center for clear distinction.
- **Use:** Recognition ribbon to be worn on uniforms or displayed at formal events.
- **Appearance:** Elegant, formal design that complements ceremonial dress and insignia.
- **Meaning:** Represents courage, commitment and recognised service in the aeronautical field.

Product description:

Product overview

The Nastrino Valore Aeronautica con Stella Oro is a military ribbon for collectors, service members, and military surplus shops that reflects high merit and commendation within the Aeronautica Militare. It is intended for display, uniform replacement, or collection by those interested in tactical, duty, or police heritage items.

Definition: this ribbon is a formal recognition awarded for circumstances and acts that brought

notable honor to the Aeronautica Militare. The ribbon is a 37 mm regulation item available in standard and Elite finishes.

Main features

Key product details at a glance:

- **Official recognition:** Awarded for acts and circumstances deemed highly meritorious and honorable to the Aeronautica Militare.
- **Stella Oro period:** The gold star device applies to concessions dated 24 March 1932 through 15 March 2010.
- **Formats:** Available in regulation flat or Elite domed (bombato) versions.
- **Mounting options:** Optional ribbon bar holder with clamp attachment or screw mounting available on request.
- **Standard size:** Supplied only in the 37 mm regulation format.

How to use / When it’s useful

Use this ribbon as an authentic replacement on uniforms, for historical displays, or as part of a military surplus or tactical gear collection. It suits collectors, unit stores, and individuals maintaining duty or ceremonial dress.

Quick answer: install on a ribbon bar using the chosen holder (clamp or screws). In most cases, choose the flat or Elite domed finish to match existing insignia and unit regulations.

Care and notes

Keep the ribbon in good condition and confirm wear rules before mounting on active uniforms.

- Store away from direct sunlight and moisture to preserve colors.
- Choose the correct mounting method (clamps or screws) when ordering.
- Only available in the 37 mm regulation size; confirm this fits your ribbon bar.
- Availability is limited—orders may be subject to stock levels.

FAQ

Q: What size is the ribbon?

A: The Nastrino Valore Aeronautica con Stella Oro is available only in the 37 mm regulation format. This is the standard size for this ribbon.

Q: Can I request a specific mounting method?

A: Yes. On request we can fit a ribbon bar holder with either clamp attachment or screw

mounting. Specify your preference when ordering.

Q: What is the date range for the gold star device?

A: The gold star (“stella oro”) applies to concessions dated from 24 March 1932 to 15 March 2010. This reflects the historical concession period for that device.

Q: What finishes are offered?

A: The ribbon is offered in the regulation flat finish or the Elite domed (bombato) finish. Choose the finish that matches your existing insignia style.

Q: For what reasons is this ribbon awarded?

A: It is conferred for circumstances and acts judged meritorious and commendable to a high degree, producing notable honor for the Aeronautica Militare.

Q: Is this ribbon suitable for collectors and surplus stores?

A: Yes. It is commonly acquired by collectors, museums, and military surplus or tactical gear retailers who stock historical and duty-related items.

Tip: When ordering, confirm the 37 mm size and preferred finish (flat or Elite domed) and select the required mounting option. Browse related military surplus and tactical items to complete your display or uniform set.
