Well-made and available in common ribbon sizes and mounting options to suit uniforms and collectors.

- **Design options:** available in the flat regulation form or the slightly domed "Elite" variant.
- **Sizes:** offered in 37 mm and 20 mm widths to match standard ribbon bars.
- **Mounting choices:** choose rear clamp (morsetti) or screw attachments at checkout.
- **Durable materials:** manufactured from high-quality, long-lasting components for consistent appearance.
- **Compatible with multi-ribbon bars:** can be mounted on two- or multi-slot ribbon holders when arranged on a single metal base.

How to use / When it’s useful

Use the **nastrino Valore Marina con Stella Argento** for uniform dress displays, ceremonial wear, or as part of a military ribbon collection. Select the size and mounting type that match your existing ribbon bar or display case.

Quick answer: choose 37 mm for standard full-size ribbon bars and 20 mm for smaller or miniature mounts. In most cases, pick the same attachment type (clamps or screws) as your other ribbons to ensure consistent mounting and fit.

Care and notes

Simple care keeps the ribbon looking its best and ensures secure mounting.

- Store in a dry place and avoid prolonged exposure to direct sunlight to preserve color and finish.
- Handle mounting hardware carefully; select clamps or screws that match your ribbon bar to avoid damage.
- Check compatibility before ordering multi-slot ribbon bases to ensure correct alignment and fit.
- Availability can be limited due to demand; confirm size and attachment before purchase.

FAQ

Q: What sizes are available for the nastrino Valore Marina con Stella Argento?

A: The ribbon is available in two sizes: 37 mm and 20 mm. Choose the size that matches your ribbon bar or display requirements.

Q: Can I choose the type of attachment for the ribbon holder?

A: Yes. You can select a rear clamp (morsetti) or a screw-type attachment when ordering to match your existing mounting system.

Q: Are there different visual variants of this ribbon?

A: The ribbon is offered in the regulation flat form and an Elite variant with a slight dome. Pick the one that fits your uniform or display preference.

Q: How do I mount the ribbon on a multi-slot ribbon bar?

A: For multi-slot mounting, use a compatible metal base that houses two or more ribbons. Confirm spacing and attachment type to ensure proper fit.

Q: What materials are used for the nastrino?

A: The ribbon is made from durable, high-quality materials designed for long-term use and a consistent appearance. Routine care will help maintain its look.

Q: Is this ribbon widely available?

A: Supply can be limited due to demand. If you need a specific size or attachment, order promptly to secure the correct variant.

Tip: Before adding to cart, confirm the correct size (37 mm or 20 mm) and choose the matching attachment (clamp or screw). Browse related ribbons and ribbon holders to assemble a consistent display for uniforms, military collections, or tactical/military surplus presentations.
