Product description:

Product overview

The Nastrino Valore Aeronautica con Stella Argento is a military ribbon awarded to individuals who, in particularly difficult circumstances, performed acts of courage and demonstrated notable skill. It is intended for service members, uniform restorers, collectors, and professionals in police, tactical, or military surplus markets.

Definition: this is a 37 mm ribbon bar bearing a silver star that denotes the Valore Aeronautico

award. The ribbon is offered in the regulation flat or the bombed Elite style, with a selectable screw or clamp mount.

Main features

Key details at a glance for buyers and uniform suppliers.

- **Design options:** Regulation flat or bombed Elite style to match different uniform standards.
- **Silver star:** Distinctive silver star attached to the ribbon to indicate the award.
- **Standard size:** Supplied only in the 37 mm format, consistent with the original description.
- **Mounting choices:** Portanastrino (ribbon holder) with screw or clamp attachment available from the dropdown menu.
- **Durable construction:** Made from high-quality materials for long-lasting appearance and wear.
- **Limited availability:** Produced in small quantities and in high demand among collectors and uniform suppliers.

How to use / When it’s useful

Use the ribbon on service uniforms, display cases, or when restoring period or current uniform sets. It is suitable for military, police, and tactical display or for resale in military surplus stores.

Quick answer: choose flat or bombed Elite based on your uniform’s style and select the screw or clamp mount for your preferred attachment method.
In most cases: the 37 mm size fits standard ribbon bars, and the selected portanastrino ensures secure mounting for daily wear or display.

Care and notes

Simple care keeps the ribbon and star looking correct on uniforms and in collections.

- Store in a dry, cool place to prevent tarnish on metal components.
- Avoid strong chemicals or abrasive cleaners on the ribbon or the silver star.
- Check the chosen screw or clamp attachment periodically to ensure a secure fit.
- Note limited stock: confirm your variant (flat or bombed Elite and attachment type) before ordering.

FAQ

Q: Which formats are available?

A: The ribbon is offered in two formats: regulation flat and bombed Elite. Select the preferred style from the product options.

Q: Can I choose the portanastrino (ribbon holder)?

A: Yes. You can select the portanastrino with either screw or clamp attachment using the dropdown menu on the product page.

Q: What is the size of the ribbon?

A: The nastrino is available only in the 37 mm format, as indicated in the product details.

Q: What materials are used?

A: The ribbon is made from high-quality materials with a metal silver star. Materials are chosen for durability and lasting appearance.

Q: Why is this item in high demand?

A: Demand comes from its symbolic value, the silver star detail, and the limited production quantities sought by collectors and uniform suppliers.

Q: Is this suitable for police or tactical uniforms?

A: Yes. The ribbon is appropriate for display on police, military, or tactical uniforms where the Valore Aeronautica award is required or for sale in military surplus and duty supply contexts.

Tip: Before adding to cart, choose the correct format (flat or bombed Elite) and the desired portanastrino attachment (screw or clamp). Check related ribbons and holders to complete uniform sets or display cases.
