Product overview

The Soprabito Impermeabile Esercito Italiano is a waterproof overcoat designed for officers and staff of the Esercito Italiano and for anyone who needs reliable wet-weather outerwear. It

combines a roomy cut, a turn-down collar and a belt in a khaki (hazelnut tone) polyamide fiber for rain protection and comfortable wear.

Definition: a military-style waterproof overcoat in khaki polyamide fiber, suitable for duty, tactical use, or as a military surplus-style raincoat for civilian wear.

Main features

Practical, durable construction with functional military details for everyday or formal uniform use.

- **High-quality material:** polyamide (poliammidica) fiber in khaki (hazelnut tone) for durability and water resistance.
- **Double-breasted closure:** two rows of three synthetic resin buttons for a secure fit and classic look.
- **Adjustable fit:** belt at the waist and sleeve straps with metal buckles in brown-khaki for size control.
- **Functional shoulder and chest details:** reinforced yoke (carrè) and doubled shoulder straps fastened with a loop and a resin button.
- **Practical pockets:** two slightly forward-angled side pockets for small items.
- **Ventilation:** ventilation holes under the arms and beneath the yoke for breathability in damp conditions.

How to use / When it’s useful

Use this overcoat as rain protection with all khaki uniforms, for duty shifts, outdoor inspections, or as a practical tactical or military-surplus style raincoat for civilian wear. Its roomy cut allows layering over uniforms or heavier clothing.

Quick answer: Wear it over your uniform or outer layers when you need wind and rain protection. In most cases, pair it with duty boots and a belt for a neat, functional appearance suitable for both formal and field use.

Care and notes

Basic care maintains appearance and performance—always follow the garment’s care label for best results.

- **Follow the care label:** use the washing and maintenance instructions on the product tag.
- **Prepare for cleaning:** fasten buttons and belt before washing or professional cleaning to protect hardware and fabric.
- **Check ventilation:** keep ventilation holes clear to preserve breathability.
- **Limited availability:** stock is limited, so check sizes before ordering.

FAQ

Q: What sizes are available for the Soprabito Impermeabile Esercito Italiano?

A: Sizes typically range from S to XXL. Please check the size guide on the product page to select the correct fit for layering over uniforms.

Q: Is the overcoat fully waterproof?

A: The coat is made from polyamide fiber and is designed to resist rain and provide protection in wet weather. Ventilation details help with breathability during active use.

Q: Does it protect against wind as well as rain?

A: Yes, the polyamide fabric offers protection against wind in addition to rain, making it suitable for many duty and outdoor situations.

Q: Can I wear this overcoat daily or only with uniforms?

A: You can wear it both with uniforms and as an everyday raincoat. Its military-inspired styling also works for tactical or civilian military-surplus looks.

Q: How should I clean the overcoat?

A: Follow the washing instructions on the garment label. When in doubt, fasten buttons and belt before cleaning and consider professional cleaning for best results.

Q: What is the return policy if the size or fit is wrong?

A: We offer a 30-day return window from the date of purchase. Please review our returns policy on the site for full instructions and any conditions.

Tip: Choose the correct size using the product size guide and consider how you will layer under the coat; browse related tactical coats and military-surplus outerwear to find matching accessories and alternatives.
