### Product overview

The Nastrino Merito Arma Carabinieri Bronzo is the bronze merit ribbon awarded to recognise notable, effective contributions to the Arma dei Carabinieri. It is intended for collectors, uniform suppliers, duty and police personnel, and retailers in tactical or military surplus markets.

Definition: a regulation 37 mm bronze merit ribbon for the Carabinieri.

This ribbon is offered in regulation finishes and with optional mounting choices, making it suitable for display on uniforms, ribbon bars, or for medal repair and replacement. It is a durable, regulation-format accessory designed for official or collector use.

**Main features**

Key points at a glance:

- **Regulation format:** available in the flat regulation style.
- **Variant Elite:** slightly convex (Elite) finish option for a refined appearance.
- **Mounting options:** selectable portanastrino with clamp (morsetto) or screw fittings.
- **Standard size:** supplied only in the 37 mm width format.
- **Loose ribbon available:** sold as loose ribbon for medals with a minimum length of 50 cm.
- **Durability:** produced to meet regulatory appearance and long-term use.
- **Limited availability:** stock can be limited due to demand.

**How to use / When it’s useful**

Use the nastrino on service uniforms, medal mounts, or as a replacement ribbon on ribbon bars. It fits standard 37 mm ribbon slots and is suitable for both official duty wear and display in collections or military surplus sales.

Quick answer: Use the 37 mm regulation ribbon for standard Carabinieri ribbon bars or medals. In most cases, choose the flat regulation format unless you prefer the slightly convex Elite finish for presentation or collector purposes.

**Care and notes**

Simple care and ordering notes to keep the ribbon in good condition and to ensure you order the correct variant.

- Store in a dry place and avoid prolonged exposure to moisture; wipe gently with a soft, dry cloth.
- Choose the correct portanastrino attachment (clamp or screws) when ordering to match your ribbon bar or uniform.
- Loose ribbon is sold from a minimum of 50 cm; select that option if you need ribbon by the metre.
- Stock can be limited—order promptly if you need a specific finish or attachment.
- For mounting multiple ribbons, use multi-place ribbon bars (portanastrini) sold separately.

## FAQ

**Q:** What size is the nastrino?

**A:** The ribbon is supplied in the standard 37 mm width only. This size fits common Carabinieri ribbon bars and medal fittings.

**Q:** Is there more than one finish available?

**A:** Yes. You can choose the flat regulation finish or the slightly convex Elite variant for a different look.

**Q:** Can I customise the portanastrino?

**A:** Yes. The portanastrino can be ordered with a clamp (morsetto) or with screw attachments. Select the preferred mounting option from the product menu.

**Q:** Can I buy loose ribbon only?

**A:** Yes. Loose ribbon for medals is available with a minimum purchase length of 50 cm. Choose the loose ribbon option in the product menu.

**Q:** How can I be sure of the product quality?

**A:** The ribbon is produced to meet regulation appearance and durability for use on uniforms and medal mounts. Materials and workmanship are selected to maintain appearance over time.

**Q:** Is this product always in stock?

**A:** No. Demand can be high and availability may be limited. If you need a specific finish or attachment, it’s advisable to order as soon as possible.

**Tip:** Choose the correct variant (flat or Elite), mounting type (clamp or screws), and confirm the 37 mm size before checkout; also consider browsing related ribbon bars and mounting accessories to complete your uniform or collection.
