Product overview

The Nastrino Lunga Navigazione Marina Argento is a service ribbon for naval personnel and collectors that marks 15 years of sea service in the Marina Militare. It is designed for use on dress uniforms, ribbon bars, and military surplus displays.

Definition: a service ribbon featuring a silver anchor, used to indicate long navigation (15 years) in

the Marina Militare. Available in 37 mm and 20 mm sizes, flat or Elite (bombed) finish, and with selectable portanastrino fittings.

Main features

Essential features and options for uniform wear or display.

- **Silver anchor emblem:** Central silver anchor to denote long navigation service.
- **High-quality materials:** Built for durability and long-term display.
- **Two sizes:** Available in 37 mm and 20 mm to fit different ribbon bars.
- **Finish options:** Regular flat format or bombed Elite variant.
- **Portanastrino fittings:** Choose rear clamp (morsetti) or screw attachment.
- **Online purchase:** Customization options selectable at checkout; limited stock.

How to use / When it’s useful

Use the nastrino on the appropriate position of your dress ribbon bar or in a multi-slot portanastrini. Select the size and fitting that match your existing ribbon mounts or display board.

Quick answer: wear it on your uniform ribbon bar where long-navigation or long-service ribbons are displayed. In most cases, choose 37 mm for standard single-ribbon mounts and 20 mm for tighter multi-ribbon assemblies or compact displays.

Care and notes

Simple care and ordering notes to keep your ribbon looking its best and ensure proper mounting.

- Store in a dry place away from direct sunlight to avoid fading.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Ensure you select the correct portanastrino attachment (clamp or screws) for secure mounting.
- Limited availability: if you need a specific finish or size, order promptly.

FAQ

Q: What sizes are available for the Nastrino Lunga Navigazione Marina Argento?

A: The ribbon is available in two sizes: 37 mm and 20 mm. Choose based on your ribbon bar or display needs.

Q: Can I customize the portanastrino attachment?

A: Yes. You can select a rear clamp (morsetti) or screw-type attachment from the options menu at checkout to match your mounting system.

Q: What symbol is on the nastrino?

A: A silver anchor is applied at the center of the ribbon to signify long navigation (15 years of sea service) in the Marina Militare.

Q: Are there different finishes or variants?

A: The ribbon is offered in a regular flat finish and a bombed Elite variant. Both finishes come in the same available sizes and mounting options.
