How to use / When it’s useful

Quick answer: use the Nastrino Merito di Lungo Comando GdF Oro for formal ceremonies, parade dress, ribbon displays, or as part of a gala medal set.

In most cases, choose the loose 37 mm or 20 mm ribbon for mounting on medals and the portanastrino option when you need a ready-to-wear ribbon bar. Select flat or Elite finish based on presentation style and how the ribbon will be displayed.

Care and notes

Keep the ribbon in good condition and choose the correct format for your intended use.

- Store in a dry place away from direct sunlight to preserve color and finish.
- Select portanastrino type (clamp or screw) when ordering if you need a ready-to-wear mount.
- Order the correct loose ribbon width (37 mm or 20 mm) for your medal fittings.
- Note limited quantities; availability can be restricted so check stock before finalizing plans.

FAQ

Q: What formats are available for the Nastrino Merito di Lungo Comando GdF Oro?

A: The ribbon is offered in a regular flat format and a slightly domed "Elite" finish. It is also sold as loose ribbon in 37 mm and 20 mm widths for gala medals.

Q: Can I order the ribbon already mounted on a portanastrino?

A: Yes. You can choose a portanastrino with a rear clamp attachment or with screws. Select the

attachment type from the product options when ordering.

Q: What does the gold star represent?

A: The central five-point gold star identifies the ribbon as Merito di Lungo Comando for the Guardia di Finanza, denoting 20 years of unit command service.

Q: What materials are used for the ribbon?

A: The ribbon is made from quality materials designed for durability and long-term use. The product is intended for ceremonial wear and display.

Q: How do I choose between 37 mm and 20 mm loose ribbon?

A: Choose 37 mm or 20 mm based on the medal or mounting requirements you have—37 mm is commonly used for larger gala medals, while 20 mm suits smaller fittings.

Q: Is the ribbon always in stock?

A: No, stock is limited. Demand can be high, so it is advisable to place your order early if you need the ribbon for a specific event or display.

Tip: When ordering, confirm whether you need a loose ribbon (20 mm or 37 mm) or a mounted portanastrino with clamp or screw attachments. Check available formats and related ribbon items to build the correct ribbon bar or medal set for duty, police, or military surplus use.
