Product short description:

The Nastrino Merito di Servizio Corpo Forestale Stato Stella Bronzo is a service merit ribbon that recognizes dedication and commitment in forest service. Featuring a bronze star emblem, it honors individuals who have contributed to the protection and preservation of natural heritage.

- **Material:** Made with high-quality fabrics and a bronze-colored star emblem.
- **Purpose:** Service merit ribbon to acknowledge dedication, merit and contributions to forest protection.
- **Intended for:** Personnel or civilians who have provided notable service to Corpo Forestale Stato and environmental safeguarding.
- **Use:** Suitable for award ceremonies, presentation on uniforms or as a commemorative tribute.

Product description:

Product overview

The Merito di Servizio ribbon for the Corpo Forestale dello Stato with Bronze Star is a service ribbon intended for personnel who have completed 10 years of command duties or equivalent

assignments. Definition: this is a 37 mm service merit ribbon bearing a bronze star to mark long service.

It is suitable for uniform display, recognition, collectors and military surplus or tactical gear shops looking for accurate duty items. Stock is limited, so availability may be restricted.

Main features

Clear, durable design made to fit standard ribbon holders and to present a professional appearance on uniforms or display mounts.

- **High-quality materials:** built for durability and long-lasting appearance.
- **Bronze star detail:** adds a visible mark of merit and distinction.
- **Standard size:** available in the 37 mm format.
- **Two finishes:** regular flat and bombed "Elite" three-dimensional variant.
- **Mounting options:** compatible with ribbon bars using clamp or screw attachments (selectable).
- **Easy to fit:** designed for simple application to common portanastrini or multiple-ribbon mounts.

How to use / When it’s useful

Wear the ribbon on service dress as permitted by Corpo Forestale dello Stato rules, or add it to a display or collector's ribbon bar. Quick answer: attach it to a ribbon mount using the chosen clamp or screw fitting.

In most cases, the ribbon is used to indicate 10 years of command or equivalent service and to complete a service ribbon set for duty, police, or tactical collections. Choose the Elite bombed finish if you prefer a more three-dimensional look.

Care and notes

Maintain the ribbon’s appearance with simple care and by selecting the correct mount option at purchase.

- Clean gently with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Check clamp or screw fittings regularly to ensure the ribbon is secure on the mount.
- Choose the correct variant (flat or bombed Elite) and mounting type before ordering.
- Limited stock: order soon if you need the ribbon for a uniform or collection.

FAQ

Q: What material is the ribbon made from?

A: The ribbon is made from durable materials designed to keep its shape and colour over time. The bronze star is a metal detail fixed to the ribbon.

Q: What are the dimensions of the ribbon?

A: This ribbon is supplied in the standard 37 mm format, the common size for service ribbons used on uniform bars and displays.

Q: Are there different finishes or variants available?

A: Yes. You can choose the regular flat finish or the bombed "Elite" variant for a more three-dimensional appearance.

Q: How is the ribbon attached to a ribbon bar?

A: It is fitted to a portanastrini using either clamp or screw attachments. Select your preferred mounting option from the product menu before checkout.

Q: Who is this ribbon intended for?

A: The ribbon represents the Merito di Servizio with Bronze Star, associated with personnel who have completed 10 years of command or equivalent duties in the Corpo Forestale dello Stato.

Q: Is the ribbon currently in stock?

A: Availability is limited due to demand and the product’s nature. We recommend adding the ribbon to your cart promptly if you require it.

Tip: Select the correct finish (regular or Elite) and mounting option before purchasing, and consider browsing related ribbon mounts and multi-ribbon portanastrini to complete a uniform or display set.
