How to use / When it’s useful

Use this ribbon on the service uniform ribbon bar for formal occasions, parades, and official inspections. It also fits neatly into multi-ribbon display holders for storage or presentation.

Quick answer: wear it on the uniform ribbon bar or mount it on a multi-place holder. In most cases, choose the size and attachment that match your existing ribbons and holder so installation is secure and visually consistent.

Care and notes

Basic care and purchasing notes to keep the ribbon in good condition and ensure correct fit.

- Handle gently and store flat or in a ribbon holder to avoid bending the star or fabric.
- Choose the correct width (37 mm or 20 mm) and profile (flat or Elite) for your ribbon bar before ordering.
- Select the preferred rear attachment (clamps or screws) to match your mounting hardware.
- Availability may be limited due to demand; confirm product options when ordering.

FAQ

Q: What sizes are available for this ribbon?

A: The ribbon is available in 37 mm and 20 mm widths. Choose the size that matches your existing ribbon bar or display holder.

Q: Is there a domed or flat option?

A: Yes. You can select the regular flat profile or the slightly domed "Elite" variant depending on your preferred look.

Q: What rear attachment options are offered?

A: Rear fittings are available with clamps or with screws. Select the option that fits your mounting method for a secure installation.

Q: Can this ribbon be mounted on a multi-place ribbon holder?
