How to use / When it’s useful

Quick answer: Wear this ribbon on the uniform ribbon bar to show recognized 35 years of service with the Corpo Forestale dello Stato. It suits dress uniforms, formal events, and official presentations of service awards.

In most cases, choose the flat 37 mm regulation version for standard uniform rules; select the Elite variant for a slightly raised look. Select the preferred attachment (clamp or screws) and request multi-ribbon mounting when you need a consolidated ribbon bar for multiple awards.
