- **Restricted issue:** reserved for Polizia Locale personnel involved in the EXPO Milano operation.
- **Size:** available only in the 37 mm format.
- **Formats:** regular flat or slightly curved "Elite" variant.
- **Mounting options:** sold with a ribbon holder fitted with either clamp or screw fastenings, or as loose ribbon.
- **Loose ribbon minimum:** loose ribbon can be bought from a minimum of 50 cm.
- **Multi-holder packaging:** can be mounted on metal multi-ribbon bases for two or more ribbons.

How to use / When it’s useful

Quick answer: use the mounted ribbon on duty uniforms or choose loose ribbon for tailoring, display, or collector presentation. Select the holder type (clamp or screws) that matches your uniform or display plate.

In most cases, authorised Polizia Locale personnel will order the mounted ribbon in 37 mm to match standard duty ribbon bars. For collectors or restorers, loose ribbon allows cutting to length and custom assembly on multi-ribbon metal bases.

Care and notes

Store the ribbon folded or mounted to avoid creasing; handle the Elite variant carefully to preserve its slightly curved shape.

- Do not dry clean; spot-clean gently if needed.
- Keep away from prolonged sunlight to prevent fading.
- Warning: the ribbon is not authorized for use by the Esercito, Arma dei Carabinieri, Polizia di Stato, or Guardia di Finanza.
- Note the 37 mm size and minimum 50 cm quantity for loose ribbon when ordering.
