How to use / When it’s useful

Quick answer: Wear this ribbon on service or ceremonial uniforms to represent 20 years as Comandante di Stazione Territoriale or add it to a display of duty ribbons. Use the chosen attachment (clamp or screws) to secure it to the uniform or to a ribbon bar.

In most cases, select the flat regulation format for standard uniforms or the Elite bombed style for a more pronounced look in collections or formal displays. If you plan to mount multiple ribbons, choose a matching portanastrino size for correct spacing and presentation.
