Product overview

The Fascetta Metallo Turchia is a bronzed metal ribbon bar inscribed "TURCHIA" made for the International Security Commemorative Cross ribbon. It is intended for veterans, collectors,

military surplus stores, and anyone maintaining duty or tactical displays and police ceremonial gear.

Definition: a small bronzed metal ribbon band that commemorates Italian Armed Forces service in NATO "Active Fence" – Operazione Sagitta (24 May 2016 to 31 December 2019). It is a visible sign of recognition and remembrance.

Main features

Durable and discreet, this commemorative fascetta is sized for standard commemorative ribbons and built to last for display or wear.

- **Material:** high-quality bronzed metal, corrosion-resistant finish.
- **Dimensions:** 3.7 cm length x 0.5 cm height (visible but unobtrusive).
- **Inscription:** TURCHIA, marking the specific NATO mission.
- **Commemoration:** honors service during NATO "Active Fence" – Operazione Sagitta (24/05/2016–31/12/2019).
- **Compatibility:** designed for the International Security Commemorative Cross ribbon; may fit similar ribbon widths.
- **Use cases:** suitable for uniforms, displays, collections, and military surplus or tactical shop inventory.

How to use / When it’s useful

Quick answer: slide or clip the fascetta onto the ribbon of the International Security Commemorative Cross so the inscription faces forward and is centered. Ensure the ribbon is clean and correctly aligned before fitting.

In most cases, this fascetta is used to mark the period of service in Turkey during the NATO mission and to complete a formal medal ribbon. It is also useful for display boards, veteran memorabilia, and military surplus retail displays where duty, tactical, or police items are shown.

Care and notes

Keep the fascetta clean and handle gently when attaching to a ribbon. It is made for regular display use rather than heavy field wear.

- Wipe with a soft, dry cloth; avoid strong solvents or abrasive cleaners.
- Ensure ribbon is dry and free of debris before attaching.
- Check fit on your specific ribbon width; some adjustments may be needed for non-standard ribbons.
- Although finished for outdoor resilience, avoid prolonged exposure to harsh environments to maintain appearance.

FAQ

Q: Is the fascetta compatible with other ribbons or badges?

A: It is designed for the International Security Commemorative Cross ribbon but can be adapted to other ribbons of similar width. Always check the fit before final attachment.

Q: Can the inscription be customized?

A: No, the fascetta is supplied only with the inscription "TURCHIA" to commemorate the specific NATO mission.

Q: How do I attach the fascetta to the ribbon?

A: Slide or clip it onto the ribbon so the text faces forward. Make sure the ribbon is clean and smooth to allow correct placement.

Q: Is the metal resistant to weather or tarnishing?

A: The bronzed finish is intended to resist normal atmospheric conditions, but long-term exposure to extreme weather can affect the finish; store and display appropriately.

Q: What are the exact dimensions?

A: The fascetta measures 3.7 cm in length and 0.5 cm in height, offering a discreet yet readable presence on the ribbon.

Q: Where can I purchase this fascetta?

A: The Fascetta Metallo Turchia is available from Tutto Militare and other authorized military surplus retailers. Check stock and availability before ordering due to limited quantities.

Tip: Choose the correct ribbon width before purchase and consider browsing related commemorative and military surplus items to complete a display or uniform set.
