Product overview

The Nastrino Benemerenza Ambientale Argento is a medal ribbon intended for organizations and individuals who recognize environmental service and protection. It is suitable for formal uniforms used in military, police, tactical, and duty contexts.

Definition: a 37 mm service ribbon marked by a five-pointed silver star at the center, offered in standard or Elite finishes and available with several mounting options.

Main features

Compact, regulation-size ribbon with options for finish and mounting to match uniform requirements.

- **Central emblem:** five-pointed silver star mounted at the ribbon's center.
- **Available finishes:** flat regulation format or bombed Elite variant.
- **Mounting options:** buy with a ribbon bar holder fitted with a clip or screw attachment (selectable from the dropdown).
- **Standard size:** 37 mm width.
- **Loose ribbon supply:** available as medal ribbon by the roll with a minimum quantity of 50 cm.
- **Multi-place fitting:** can be mounted on ribbon bars that hold two or more ribbons on a single metal base.

How to use / When it’s useful

Use this ribbon to display official environmental merit on service uniforms, awards boards, or ceremonial dress. It fits standard ribbon bars and is appropriate for military surplus, police duty uniforms, and tactical dress where a compact award symbol is required.

Quick answer: choose the flat or Elite version and select clip or screw mounting at checkout. In most cases, the 37 mm size is a direct replacement for regulation ribbon bars and can be combined on multi-place holders.

Care and notes

Keep the ribbon and metal details clean and dry to preserve finish and appearance.

- Store away from moisture and direct sunlight to avoid fading or corrosion.
- Handle metal fittings carefully to prevent scratches on the star emblem.
- Order loose ribbon in minimum 50 cm increments if you need custom lengths for multiple mounts.
- Availability is limited; check the selected variant before completing your purchase.

FAQ

Q: What size is the ribbon?

A: The ribbon is the standard 37 mm width, suitable for regulation ribbon bars and uniform displays.

Q: Can I buy the ribbon without a ribbon bar holder?

A: Yes. You can order the ribbon as loose medal ribbon with a minimum purchase of 50 cm.

Q: What mounting options are available?

A: You can choose a ribbon bar holder with either a clip (morsetto) or screw (viti) attachment from the dropdown menu.

Q: Is there a different size available?

A: Currently this ribbon is offered only in the 37 mm format.

Q: Can multiple ribbons be fitted on one holder?

A: Yes. The ribbon fits ribbon bars designed for two or more places, allowing several ribbons on a single metal base.

Q: What does the central emblem look like?

A: The ribbon features a five-pointed silver star centered on the ribbon as the identifying emblem.

Tip: Choose the flat or Elite variant and the desired mounting type before adding to cart; consider ordering loose ribbon in 50 cm increments for multiple mounts and check related ribbon bars and holders to complete your display.
