How to use / When it’s useful

Quick answer: wear this ribbon on the left chest during official ceremonies, parades, and formal events as part of your ribbon bar or on medals. Follow Guardia di Finanza and military dress rules when displaying decorations.

In most cases, the ribbon is placed next to other service ribbons and medals, ordered according to regulation precedence. Choose the attachment type (clamp or screws) and the flat or Elite finish based on the display method—ribbon bar or medal mounting.
