Product overview

The Nastrino Commendatore Con Spade Merito Melitense is a military-style merit ribbon for uniformed personnel, collectors, and ceremonial use. It is suitable for armed forces, police, duty officers, and military surplus enthusiasts who want a formal ribbon to display achievement or

rank.

Definition: this is a 37 mm merit ribbon loaded with a royal coronet motif on a red ribbon with two vertical white pales. It is a small, wearable insignia intended for attachment to uniforms or display mounts.

Main features

Professional build and a refined appearance make this ribbon suitable for formal wear, display, or replacement on service uniforms.

- **Official look:** Central royal coronet on red ribbon with two white vertical pales.
- **Size:** Available in the 37 mm format.
- **Quality materials:** Made to resist regular wear and retain shape.
- **Elite option:** Slightly domed "Elite" variant for a refined finish.
- **Attachment choices:** Rear fixing available with clamps (morsetti) or screws, selectable in the product options.
- **Modular display:** Can be mounted with other ribbons on multi-slot metal bases for neat presentation.

How to use / When it’s useful

Quick answer: attach the ribbon to a uniform or to a multi-ribbon metal mount using the chosen rear fixing (clamps or screws). Use the 37 mm ribbon on formal dress uniforms, ceremonial jackets, or display boards.

In most cases, choose the Elite slightly domed variant for a more formal look; select the clamp or screw attachment according to your uniform or display base. This ribbon is useful for military, police, ceremonial, and collector applications where a duty or tactical appearance is required.

Care and notes

Basic care keeps the ribbon presentable and secure on uniforms or displays.

- Store flat or on a metal mount to avoid creasing and maintain shape.
- Clean gently with a soft brush; avoid soaking or harsh chemicals.
- Choose the correct rear fixing (clamp or screw) before purchase to match your uniform or mount.
- Note: limited stock may apply due to demand; check availability when ordering.

FAQ

Q: What are the ribbon dimensions?

A: The ribbon is sold in the 37 mm format, the standard size indicated for this item. This size is suitable for formal uniforms and multi-ribbon mounts.

Q: Can I choose the type of attachment?

A: Yes. You can select a rear fixing with clamps (morsetti) or with screws from the product options to suit your uniform or display base.

Q: Is there an alternate finish or variant?

A: The ribbon is available in a slightly domed "Elite" variant for a more refined appearance. The base design and size remain the same.

Q: Can this ribbon be combined with others on a single base?

A: Yes. It can be mounted with other ribbons on multi-slot metal bases designed to hold two or more ribbons together on one metal backing.

Q: What materials is the ribbon made from?

A: The ribbon is produced from quality materials intended for durability and long-term wear. Specific fabric composition is not specified in the listing.

Q: How do I purchase and check availability?

A: Add the selected variant and attachment option to your cart to purchase. Availability may be limited, so confirm stock at checkout to avoid delays.

Tip: Choose the correct variant (standard 37 mm or Elite domed) and attachment (clamps or screws) before adding to cart, and browse related ribbons and multi-slot metal bases to create an orderly display or full ribbon set.
