Product overview

The Santo Sepolcro di Gerusalemme nastrino (ribbon) is a black uniform ribbon for the Ordine Equestre Santo Sepolcro di Gerusalemme, intended for collectors, ceremonial uniform wearers, and those sourcing military or tactical insignia. Definition: a nastrino is a small ribbon bar worn on a uniform to represent an order or medal.

The ribbon features a red enameled cross reproduced in the four quadrants and is offered in two widths: 37 mm and 20 mm. It is available in a regular flat finish or a slightly domed "Elite" finish and can be fitted to single or multi-place ribbon holders; stock may be limited.

Main features

Clean, durable design suitable for uniform display, collection, or ceremonial use. Commonly used in military, tactical, and police contexts.

- **Design:** Black ribbon with a central red enameled cross shown in the four quadrants.
- **Sizes:** Available in 37 mm and 20 mm widths to fit different ribbon bars and displays.
- **Finishes:** Regular flat or slightly domed Elite variant.
- **Mounting options:** Supplied for single-place holders with clamp or screw attachment; suitable for multi-place mounting.
- **Durability:** Made from quality materials for long-lasting wear and appearance.

How to use / When it’s useful

Use the nastrino on a single-place ribbon holder or combine several ribbons on a multi-place metal base for a full ribbon display. It is suitable for uniform wear, ceremonial occasions, or as part of a military and police surplus collection.

Quick answer: mount on a ribbon bar using the selected clamp or screw attachment. In most cases, choose 37 mm for larger displays and 20 mm for compact or multiple-ribbon arrangements.

Care and notes

Simple care keeps the ribbon looking its best and ensures secure mounting.

- Store flat and away from direct sunlight to protect color and enamel.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners or chemicals.
- Check screws or clamps periodically to ensure the ribbon is securely attached.

FAQ

Q: What sizes are available for the Santo Sepolcro di Gerusalemme nastrino?

A: The ribbon is available in two widths: 37 mm and 20 mm. Choose the size that fits your ribbon holder or display.

Q: What mounting options are offered?

A: You can order the ribbon for a single-place holder with either a clamp (morsetto) or screw

attachment. It is also compatible with multi-place ribbon bases.

Q: Is the ribbon available in different finishes?

A: Yes. The nastrino is offered in the regular flat finish and in a slightly domed "Elite" finish for a raised appearance.

Q: What materials are used?

A: The ribbon is made from quality materials designed for durability and long-term wear. The central cross is reproduced in red enamel for clear, lasting detail.

Q: Can multiple nastrini be mounted together?

A: Yes. Multiple ribbons can be mounted on a single metal base or multi-place ribbon holder to create a complete ribbon bar.

Q: Is this item kept in stock?

A: Quantities can be limited and demand may fluctuate. If you need a specific size or finish, it is advisable to order sooner rather than later.

Tip: Choose the correct size (37 mm or 20 mm) and preferred finish before checkout; consider matching holders if you plan to mount multiple ribbons for a uniform or display. Browse related ribbon holders and mounting options to complete your setup.
