How to use / When it’s useful

Quick answer: Use the Carnegie Foundation ribbon on uniform ribbon bars, medal mounts, or in collections to represent the award for lifesaving heroism in peace operations. Choose the flat or Elite finish depending on whether you prefer a classic or slightly elevated appearance.

In most cases, the ribbon fits standard 37 mm ribbon bars and can be attached using either rear screws or clamp fittings. If you need a custom arrangement or want to place the ribbon on a multi-ribbon bar, select the loose ribbon option or the appropriate mounting hardware when ordering.
