Product overview

The Galloni Soggolo Tenente Carabinieri are a pair of silver canutiglia rank braids designed for the soggolo (cap band) of officer caps in the Arma dei Carabinieri. They are intended for Carabinieri officers, verified military personnel, and approved collectors who need authentic-style

cap fittings.

Definition: These are rank galloons in silver canutiglia for the cap band (soggolo) of Tenente and Tenente Colonnello caps. Ideal for duty, police or tactical uniform restoration and military surplus collections.

Main features

Quality materials and precise sizing make these galloni suitable for uniform use and verified collections.

- **Material:** Made in silver canutiglia for a traditional, durable appearance.
- **Sold as a pair:** Comes as two matching galloni for both sides of the soggolo.
- **Width:** 2 cm wide for consistent fit.
- **Length by rank:** 5.5 cm for Tenente; 6.5 cm for Tenente Colonnello.
- **Easy to apply:** Designed for straightforward attachment to the soggolo of the cap.
- **Reserved availability:** Supplied to military personnel and verified collectors in limited quantities.

How to use / When it’s useful

Quick answer: Fit the galloni to the soggolo (cap band) of the officer cap to display the correct Tenente or Tenente Colonnello rank. In most cases, they are used to restore or complete service caps for duty wear or for verified collectors who need authentic components.

Use them whenever a clean, professional rank presentation is required—uniform inspections, official duties, or when maintaining a military surplus collection. Installation is intended to be simple and quick without special tools.

Care and notes

Keep the galloni in good condition with basic, careful handling and proper storage.

- Store flat or on a padded surface to avoid bending the braid.
- Spot clean gently with a soft cloth; avoid harsh chemicals and abrasive cleaning.
- Choose the correct length for your rank before ordering to ensure proper fit.
- Availability is limited and sale is reserved to military personnel and verified collectors.

FAQ

Q: What are the exact dimensions of the galloni?

A: The galloni are 2 cm wide. Length is 5.5 cm for Tenente and 6.5 cm for Tenente Colonnello.

Q: What material are these galloni made from?

A: They are made in silver canutiglia, a traditional metallic braid used for rank insignia.

Q: How do I apply the galloni to the cap?

A: The galloni are designed for easy attachment to the soggolo (cap band). They fit directly on the band and require minimal handling for installation.

Q: Who can purchase the Galloni Soggolo Tenente Carabinieri?

A: This product is reserved for military personnel and verified collectors. Verification may be required at purchase.

Q: Why is availability limited?

A: Limited availability helps ensure the product is supplied to those with genuine need or verified collector status and preserves the item's intended use.

Q: Are galloni sold individually or as a pair?

A: They are sold as a pair to match both sides of the soggolo and provide a complete set for the cap.

Tip: Select the correct length for your specific rank (5.5 cm for Tenente, 6.5 cm for Tenente Colonnello) and browse related cap fittings and military surplus accessories to complete your uniform or collection.
