Product short description:

The Nastrino Master in Scienze Strategiche is an academic ribbon for graduates and professionals in strategic studies. It signifies academic achievement and leadership and is crafted to provide a refined, formal appearance for ceremonies or as a personal memento.

- **Material:** Made from high-quality fabrics with a neat finish for a distinguished look.
- **Use:** Suitable for official ceremonies, academic events, presentations, or as a keepsake.
- **Design:** Elegant, understated styling that complements uniforms and formal attire.
- **Meaning:** A visible symbol of commitment and professional standing in strategic sciences.

Product description:

Product overview

The Master in Strategic Sciences ribbon is a service ribbon for military personnel who have completed the Master in Strategic Sciences program. Definition: this is a 10 mm x 37 mm ribbon with a central 2 mm gold band and a gold eagle motif, intended to be worn on the uniform where authorised.

Made for military, tactical and duty use, the ribbon suits officers and staff in military, police or related services. Stocks are limited; add to cart to reserve your chosen variant while available.

Main features

Clear design and regulated sizing make this ribbon suitable for formal uniform wear and for display on ribbon bars.

- **Dimensions:** 10 mm high × 37 mm long, with a 2 mm gold central band.
- **Design:** Red background with a gold eagle with open wings, framed by laurel and oak fronds.
- **Quality:** Made from durable, high-quality materials to retain appearance over time.
- **Variants:** Available in the flat regulatory format and a slightly domed Elite version.
- **Rear attachment:** Choose rear clamps or screws via the product options menu.
- **Ribbon bars:** Can be mounted on multi-slot ribbon bars (two or more positions) for grouped display.

How to use / When it’s useful

Quick answer: wear this ribbon on your uniform in the position authorised by your service regulations. It identifies completion of the Master in Strategic Sciences and is intended for military and related duty use.

In most cases, the ribbon is fitted to a ribbon bar using the chosen rear attachment (clamps or screws). Use multi-slot ribbon bars to combine this ribbon with others for organised display during ceremonies or duty.

Care and notes

Basic care keeps the ribbon looking its best and prevents damage to the mounting hardware.

- Store in a dry place away from direct sunlight to avoid fading.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Choose the correct rear attachment (clamps or screws) when ordering to match your ribbon bar.
- Stocks are limited—check your selected variant before completing the order.

FAQ

Q: Who can receive the Master in Strategic Sciences ribbon?

A: The ribbon is intended for military personnel who have successfully completed the Master in Strategic Sciences program and are authorised to wear it by their service.

Q: What are the exact dimensions of the ribbon?

A: The ribbon measures 10 mm in height and 37 mm in length, with a 2 mm gold band running

down the center.

Q: Which variants and finishes are available?

A: You can choose the flat regulatory format or the slightly domed Elite variant. Select the preferred finish in the product options.

Q: What rear attachments are offered?

A: Rear attachments are available with clamps or screws. Select the attachment type from the dropdown menu when ordering to match your ribbon bar.

Q: Can this ribbon be mounted with other ribbons?

A: Yes. It can be placed on multi-slot ribbon bars designed to hold two or more ribbons together on a single metal base.

Q: Is the ribbon always in stock?

A: No. The ribbon is produced in limited quantities. We recommend selecting your variant and adding it to your cart soon to avoid missing out.

Tip: Choose the correct variant and rear attachment for your ribbon bar before checkout, and browse related ribbons and ribbon bars to complete your display in tactical, military, or police configurations.
