Product short description:

The "Nastrino Corso Geografia Militare" is a service ribbon awarded for completing an advanced military geography course. It is intended for service members, history enthusiasts and collectors who want a formal emblem to wear on a uniform or keep as a professional memento.

- **Material:** Made from high-quality fabric for a neat, durable finish.
- **Use:** Suitable to wear on uniforms or preserve in a collection as confirmation of course completion.
- **Appearance:** Conservative, service-style ribbon that denotes competence in military geography.
- **Suitable for:** Military personnel, reenactors, historians and collectors.
- **Condition:** New; presented ready to wear or display.

Product description:

Product overview

The Corso Geografia Militare ribbon is a service ribbon for military personnel who have completed the advanced Military Geography course. It is intended for wear on service or dress uniforms and can be used by individuals in tactical, duty, or police roles where ribbon recognition is appropriate.

Definition: The Corso Geografia Militare ribbon is a 10 mm × 37 mm service ribbon that identifies successful completion of the higher Military Geography course.

Main features

Durable, regulation-sized ribbon available in multiple mounting styles and suitable for attachment to ribbon bars or multi-place metal bases.

- **Size:** 10 mm high and 37 mm wide.
- **Design:** Blue background with a horizontal 2 mm light-blue stripe.
- **Material quality:** Made from high-quality materials for long-lasting appearance.
- **Formats:** Regular flat format or slightly domed "Elite" variant.
- **Mounting options:** Rear attachments with clamps or screws.
- **Multi-place packaging:** Can be mounted on two-or-more-place metal bases to group multiple ribbons on a single mount.

How to use / When it’s useful

Wear the ribbon on the designated ribbon bar or uniform position according to service regulations. It is commonly used for formal dress, ceremonial occasions, and official identification of course qualification.

Quick answer: Wear it on your uniform where service ribbons are displayed. In most cases, attach it to a ribbon bar or metal base using the supplied clamps or screws to keep it secure.

Care and notes

Handle and store the ribbon like other service ribbons to preserve its finish and shape. Follow uniform guidelines for placement and authorization.

- Only authorized personnel who completed the course should wear this ribbon.
- Avoid exposure to harsh chemicals or prolonged moisture to protect colors and finish.
- Check attachment screws or clamps periodically for secure fit.
- Limited stock may be available; confirm variant and mounting option before ordering.

FAQ

Q: Who can wear the Corso Geografia Militare ribbon?

A: This ribbon is intended for personnel who have successfully completed the higher Military Geography course. Wear it only if authorized by your service regulations.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm light-blue horizontal stripe on a blue background.

Q: What mounting options are available?

A: You can choose rear attachments with clamps or screws. Select the mounting type that matches your ribbon bar or metal base.

Q: Is there a domed variant?

A: Yes. The ribbon is available in a regular flat format and a slightly domed "Elite" variant for a different visual profile.

Q: Can multiple ribbons be mounted together?

A: Yes. The ribbon can be packaged and mounted on two-or-more-place metal bases designed to hold several ribbons on a single mount.

Q: How do I buy this ribbon?

A: Add the desired variant and mounting option to your cart on the product page and follow checkout instructions. Confirm size and attachment choice before completing your order.

Tip: Choose the correct format (flat or Elite) and mounting option (clamps or screws) to match your uniform and ribbon bar. Browse related service ribbons and mounting bases to complete your ribbon display without rushing your selection.
